Subject: Request for Land Grant

Dear Jenny,

The Osborne South Biz would greatly appreciate your support, via a discretionary Land Grant, for the Biz to make the Elva Fletcher Park beautiful again. We want to paint the structure, clean up and prune the existing landscaping, replace as much as possible that has been destroyed, weed the pavers, replace rotted out signage . . . The Street Enhancement Committee is meeting at the park at 9 a.m.on Monday, April 14, 2003 to complete a walk around as to what all has to be done, for a more complete scope of work and detailed budget.

Elva Fletcher is the introduction to the Osborne South Biz Zone on entry from the Trans Canada Highway. It has degenerated from lack of care from the beautiful pocket park it once was. We have a couple of schools interested in participating with the clean up through The Duke of Edinborough Award Program which recognizes community involvement of the next generation. Unfortunately, being such a small Biz Zone, we do not have the funding necessary to complete this task without your support through the Land Grant Program.

On behalf of the Osborne South Biz, we are requesting $2000.00.

Our draft budget is:
$ 500.00 for paint (the trolley car requires scraping, priming and finish paint
$ 500.00 for shrubbery and required garden products $1000.00 for repair/replacement of the signage

Kindest regards,

Dorothy
