3 The properties benefited by each of the local improvements named in the said schedule are hereby determined to be those properties described, in the case of each local improvement, in the said schedule applicable thereto and, where applicable, the local improvement taxes are calculated on a per foot frontage basis benefited by the local improvement as indicated in said schedule.

5 To provide the money required to repay the said debt in annual installments of principal and interest thereon as well as the charges and expenses hereinbefore mentioned, there is hereby imposed in each and every year for a period of five (5) consecutive years beginning with the year two thousand and eleven (2011) upon all the properties set forth in the schedule hereto, local improvement taxes based on the uniform rate per measurement specified in such schedule (less flankage and other allowance, if any, shown thereon).

6 The said respective local improvement taxes shall be annually inserted during the whole of said period in the real property tax roll for the ward or wards in which said properties are situated, and shall be payable to and collected by The City of Winnipeg in the same way as other rates and taxes on the said roll.
