The City Centre Community Committee also recommends that the requirement for ten (10) per cent dedication by a payment of a sum of money to the City in lieu of land dedication based on the increase in the market value of the land be waived inasmuch as the property is being used for parking in conjunction with the Magnus Eliason Recreation Centre.

The City Centre Community Committee provided the following supporting reasons for its recommendations:

1. As a use variance can no longer be granted for the continuation of the parking lot, the current rezoning application is required.
2. The parking is used by the Magnus Eliason Recreation Centre and is paved, fenced and landscaped.

3. The application complies with Plan Winnipeg.

4. The Development Management Division of the Planning, Property and Development Department supports the rezoning.

Dear Ms. Freeman:

REZONING
444 Langside Street
City Centre Community Committee
File No. DAZ 223/02

An application has been received from Public Works (Lou Chubenko), to amend By-Law No. 6400/94 by rezoning the land shown below from a/an "R2-T" Two-Family Transitional Residential District to a/an "C2" Commercial District to allow for the establishment of a non-accessory parking lot.

RELATED FILES: DAV 908/02D

SITE DESCRIPTION:

Site Area: 25' by 89.5' – 2,237.5 square feet

Existing Land Use: non-accessory parking lot

Surrounding Land Use and Zoning: housing zoned "R2-T"

DEVELOPMENT DESCRIPTION:

The property is located on the west side of Langside. The property is bounded on the south by a public lane. Beyond the lane is the Magnus Eliason Recreation Centre. Under DAV 738/97, the parking lot was approved for a period of 5 years ending November 3, 2002. As a use variance can no longer be granted for the continuation of the parking lot, the current rezoning application is required. The parking is used by the Recreation Centre and is paved, fenced and landscaped.

PLAN WINNIPEG:

The application complies with Plan Winnipeg.

ADMINISTRATIVE COMMENTS:

The Development Management Division supports the rezoning. It is recommended that the park dedication fee be waived as the property is used for parking in conjunction with the Magnus Eliason Recreation Centre.

RECOMMENDATION:

1. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 223/02, attached hereto and dated, October 30, 2002, to a "C2"Commercial District.

2. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time.

3. That the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.
