Dear : Mr. Pitet

REZONING
Location : 1964 St. Mary's Road
Community Committee
File No. DAZ 224 /02

An application has been received from the City of Winnipeg , to amend By-Law No. 6400/94 by rezoning the land shown below from a "A-5" Agricultural District to a " PR-2" Parks and Recreational District .

RELATED FILES:

SITE DESCRIPTION:

Site Area:

The overall site area being rezoned totals approximately 40 acres.

Existing Land Use and Zoning:

The land is currently zoned A-5 Agricultural and the bulk of it is occupied with rows of trees which form part of the well established nursery use. Close to St. Mary's Road, there is a small storage and yards area.

Surrounding Land Use and Zoning:

North: A multiple family housing project recently approved with frontage on St. Mary's Road(RM-4)
South: Properties to the south are zoned A-5 Agricultural . There are a small number of residences lying adjacent along Normand Park Road.
East: East of St. Mary's Rd. is a fully developed residential subdivision zoned RI-3.5.
West: To the west are undeveloped treed areas zoned A-5 Agricultural.

DEVELOPMENT DESCRIPTION:

The proposed application will rezone the subject City lands to a Parks and Recreational category as per a directive from the Standing Policy Committee on Property and Development in September 2002. The new 40 acre Public Reserve is intended to serve several functions including 1) expanding on the existing Park System 2) promoting use of the river banks 3) protecting environmentally sensitive lands and 4) establishing and maintaining a nursery site(approx. 17 acres in size) and possibly also a future arboretum and interpretative centre.

PLAN WINNIPEG:

The Normand Park area is a designated Neighbourhood Policy Area under Plan Winnipeg which allows for the creation of public reserve areas. The application is therefore fully complying.

ADMINISTRATIVE COMMENTS:

The Administration is fully supportive of the proposed rezoning and the projected uses of the site in the long term. The preliminary plans call for the development of a public park area in conjunction with a large 17 acre nursery component. A concept plan done in Sept./2000, titled the Henteleff Tree Nursery Concept Plan, promotes the idea of adapting the Nursery site for public use while at the same time respecting the needs of the City's nursery operation. It is suggested that with intensive management techniques, the 17 acre Hentelleff nursery(the only one the City currently has at its disposal) could accommodate approximately 5000 trees.

Approximately 800-1000 trees could be available each year for planting which meet most of the Citys annual obligations as far as planting boulevards and parks etc. Additional trees would have to be purchased from the private sector. It should be noted that the City does have some concerns with respect to the aforementioned Concept Plans proposal to have generally unrestricted public access to the nursery site. Given the City's plans to move to a highly intensive nursery operation, the City is concerned about public safety and may opt to separate the nursery from the public areas. This does not preclude the development of and arboretum outsde of the nursery site . These are kinds of issues currently being addressed by the City's Administration.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 224/02, attached hereto and dated November 5, 2002, to a "PR-2" Parks and Recreation District.

II. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time.

III. That the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

IV. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Act.

Final

Yours truly,
