2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Report - Standing Policy Committee on Protection and Community Services – April 4, 2011

DECISION MAKING HISTORY:

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On April 20, 2011, the Executive Policy Committee recommended that the Council Motion of March 23, 2011, pertaining to the Winnipeg Public Service developing a policy to inform the public fully where bed bug infestations have occurred and have been dealt with, be received as information, and submitted the matter to Council.

STANDING COMMITTEE RECOMMENDATION:

On April 4, 2011, due to a tie vote, the Standing Policy Committee on Protection and Community Services submitted the matter to the Executive Policy Committee and Council without recommendation.

COUNCIL DECISION:

On March 23, 2011, Council ruled automatic referral of the following motion to the Standing Policy Committee on Protection and Community Services:

Moved by Councillor Smith,
Seconded by Councillor Wyatt,

WHEREAS bed bugs have become an increasing concern in the City of Winnipeg and citizens have a growing anxiety regarding both increased incidents of infestation as well as the high rate of transferability;

AND WHEREAS, in 2010, bed bug related complaints to the City's Community By-Law Enforcement Service went up by 30%, to more than 500 complaints;

AND WHEREAS bed bugs are not exclusive to any one area or group of people;

AND WHEREAS, to properly protect themselves and their homes, members of the public must know where bed bug infestations have occurred and where they have been declared eradicated;

THEREFORE BE IT RESOLVED that the City's Community Services Department develop a policy to inform the public fully where bed bug infestations have occurred and have been dealt with.
