RECOMMENDATIONS

1. That the subject City-owned property located at the rear of 1929 Logan Avenue, shown outlined and shaded on Misc. Plan No. 13742, be declared surplus to the needs of the City.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

- Council approval is required to declare the subject City property surplus to the needs of the City.

IMPLICATIONS OF THE RECOMMENDATIONS

- The Planning, Property and Development Department intends to sell the subject City property to the adjacent owner at 1929 Logan Avenue, North-West Auto Body Ltd. for $5,500.00, in accordance with the Council approved *"Offers to Purchase City-Owned Property Policy"*, whereby the Department may act on unsolicited offers for City-owned

property from an adjacent existing owner when the property in question is not developable on its own.

- There are no regulatory or human resources implications associated with this report.

- The City's standard terms and conditions of sale include provisions to protect the City's interests in the event that environmental contamination is discovered.

HISTORY

The subject City property was formerly part of a public lane, which was closed by the city of St. James in 1968 (By-law 10865). Over the years, portions of the lane were sold to adjacent owners for consolidation purposes.

The Winnipeg Public Service has determined that there is no City requirement for the property shown outlined and shaded on Misc. Plan No. 13742. Manitoba Hydro, MTS Allstream Inc. and Shaw Cable have all advised that a blanket Easement is required over the entire subject property.

North-West Auto Body Ltd. owns the adjacent property to the south facing Notre Dame Avenue and intends to use the subject City property to expand its parking area for its business.

The Offer received from North-West Auto Body Ltd. for $5,500.00 is in accordance with the City's standard terms and conditions of sale.

The Department intends to sell the subject property to North-West Auto Body Ltd. for the following reasons:

- The Ward Councillor is supportive of the sale.
- The proposed purchase price is in accordance with the estimated market value of the property as determined by an internal appraisal report ($5,500.00).
- The property would be placed on the tax roll at the closing of the sale.
- The sale will eliminate the liability for the City associated with holding this property.
