Minute No. 310
Report – Executive Policy Committee – April 20, 2011

Item No. 10 Consolidation and Amendment - Capital Project and/or Program Budgets - Linden Woods Community Centre Gymnasium Project (River Heights-Fort Garry Ward)

COUNCIL DECISION:

Council concurred in the recommendation of the Executive Policy Committee and adopted the following:

1. That the reallocation of various capital project/program funding sources related to the Linden Woods Community Centre Gymnasium Project be approved.

2. That subject to the approval of Recommendation 1, that the budget for the Linden Woods Community Centre Gymnasium Project be increased from $1,560,000 to $2,750,000 to reflect the approval of $961,011 in funding through the Recreational Infrastructure Program and a contribution of $228,989 from the Linden Woods Community Centre.

3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Report – Executive Policy Committee – April 20, 2011

DECISION MAKING HISTORY:

Moved by His Worship Mayor Katz,

That the recommendation of the Executive Policy Committee be adopted by consent.

Carried

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On April 20, 2011, the Executive Policy Committee concurred in the recommendation of the Winnipeg Public Service and submitted the matter to Council.

ADMINISTRATIVE REPORT

Title: Consolidation and Amendment of Council Approved Capital Project and/or Program Budgets related to the Linden Woods Community Centre Gymnasium Project.

Critical Path: Executive Policy Committee - Council

AUTHORIZATION

Author	Department Head	CFO	CAO

RECOMMENDATIONS

1. That Council approves the reallocation of various capital project/program funding sources related to the Linden Woods Community Centre Gymnasium Project as laid out in this report (see Appendix 1).

2. Subject to the approval of Recommendation #1, that the budget for the Linden Woods Community Centre Gymnasium Project be increased from $1,560,000 to $2,750,000 to reflect the approval of $961,011 in funding through the Recreational Infrastructure Program (RInC) and a contribution of $228,989 from the Linden Woods Community Centre.

REASON FOR THE REPORT

Council approval is required to amend capital budgets.

IMPLICATIONS OF THE RECOMMENDATIONS

- No additional funding is being requested as this report simply recommends the consolidation of existing Council-approved capital budgets and increases in the project budgets where incremental funding from other sources has been secured.

- The capital *program* budgets to be consolidated are being expended for the purposes for which they were approved by Council; consolidation within capital *project* budgets simply makes accounting for and reporting on the financial status of the project less complex and more transparent.
- Consolidation of budgets (and actual amounts spent to-date) will enable the Public Service to more effectively and efficiently track progress on, and the final cost of, the project.
- Consolidation of budgets will also enable the expenditure of funding provided through the RInC program and the Community Centre.

HISTORY

The Linden Woods Community Centre Gymnasium Project ("the project") involves an addition to the existing community centre of approximately 9,700 S.F., which includes a full size gymnasium, office, kitchen, universal washrooms, mechanical & storage rooms and entry vestibule.

In January 2010 the General Council of Winnipeg Community Centres (GCWCC) approached the Municipal Accommodations Division of the Planning, Property and Development Department to administer the construction of the gymnasium addition project.

The project funding sources consist of multiple Council-approved capital projects and programs within the capital budgets of the Planning, Property and Development Department as well as the Land Dedication Reserve Fund and the Community Incentives Grant Program (see Appendix 1). The number of funding sources involved makes accounting for and reporting on the project more cumbersome and complex than it needs to be. Also, incremental funding for the project has been secured from the other two levels of government under the RInC program, as well as a contribution from the Community Centre.

Consolidation of the multiple funding sources will enable the Winnipeg Public Service, once the project is complete, to better answer the question "What were the total costs of the project?" The answer to this seemingly simple question can be convoluted when the funding sources are widely distributed. Consolidation would also facilitate improved project management and administration as Project Manager(s) would be accountable for one project budget rather than numerous different ones and this would simplify the tracking of costs-to-date versus available budget.

FINANCIAL IMPACT

Financial Impact Statement **Date:** April 14, 2011

Project Name: **First Year of Program** 2011

Consolidation and Amendment of Council Approved Capital Project and/or Program Budgets related to the Linden Woods Community Centre Gymnasium Project.
