Report - Standing Policy Committee on Protection and Community Services – May 10, 2011

DECISION MAKING HISTORY (continued):

STANDING COMMITTEE RECOMMENDATION (continued):

On April 4, 2011 the Standing Policy Committee on Protection and Community Services passed the following motion:

WHEREAS there is a growing a societal demand to more broadly ban smoking in outdoor areas particularly ones that children frequent, the City of Winnipeg has received a request from the Winnipeg Youth Soccer Association to restrict smoking near their fields;

AND WHEREAS Environmental Tobacco Smoke is a known Class A carcinogen for which there is no safe level of exposure, and that scientific studies confirm that negative health consequences can result from even short exposures that include increased risk of cardiovascular and respiratory disease. Additionally, relatively transient exposures to ETS can trigger an asthma attack in someone with chronic respiratory conditions;

AND WHEREAS the City of Winnipeg has taken a leadership role in banning smoking in indoor places, and has policies to prohibit smoking at City-owned outdoor facilities such as wading pools and swimming pools, and within 8 metres (25 feet) of City workplace doorways and entrances;

AND WHEREAS many cities including Vancouver, Toronto, and Halifax have enacted by-laws in the past 2 years that prohibit smoking on or near sport fields or playgrounds;

AND WHEREAS the Province of Manitoba has accepted a policy mandate and jurisdiction regarding smoking bans in public places by enacting *The Non-Smokers Health Protection Act* and by enacting amendments to *The Highway Traffic Act* in July 2010 to prohibit smoking in vehicles where children under 16 years of age are present;

AND WHEREAS the City of Winnipeg through Council decision on February 23, 2011, has actively encouraged the Province of Manitoba, through regular consultations, to consider legislative changes in order to more broadly ban smoking in outdoor areas that may adversely impact the health and comfort of the public;

AND WHEREAS the City has requested a timely response within 30 days prior to the commencement of the 2011 soccer season;

AND WHEREAS the Province of Manitoba has not acceded to the City of Winnipeg's request to implement provincial regulations;

Report - Standing Policy Committee on Protection and Community Services – May 10, 2011

DECISION MAKING HISTORY (continued):

STANDING COMMITTEE RECOMMENDATION (continued):

THEREFORE BE IT RESOLVED THAT the Winnipeg Public Service be directed to prepare a by-law that bans smoking from the sidelines on City of Winnipeg athletic fields during youth events (including City of Winnipeg and community centre hockey pens), on playgrounds, and on the premises of Winnipeg primary schools; middle schools; secondary schools; and health care facilities, to be submitted to the Standing Policy Committee on Protection and Community Services in the next 30 days.

Further on April 4, 2010, the Standing Policy Committee on Protection and Community Services received submissions with respect to smoking in soccer fields from the following:

- Dr. Sande Harlos, Winnipeg Regional Health Authority submitted a communication dated April 1, 2011
- Murray Gibson, Manitoba Tobacco Reduction Alliance Inc. (MANTRA) submitted a communication dated March 31, 2011

ADMINISTRATIVE REPORT

Title: **Outdoor Smoking By-law**

Critical Path: **Standing Policy Committee on Protection and Community Services → Executive Policy Committee → Council**

AUTHORIZATION

Author	Department Head	CFO	CAO
K. Knudsen	C. Wightman	N/A	M Ruta A/CAO

RECOMMENDATIONS

1. That Council approves the attached draft Outdoor Smoking By-law.
2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

- On April 4, 2011, the Standing Policy Committee on Protection and Community Services directed that the Winnipeg Public Service prepare a by-law that bans smoking from the sidelines on City of Winnipeg athletic fields during youth events (including City of Winnipeg and community centre hockey pens), on playgrounds and on the premises of Winnipeg primary schools; middle schools; secondary schools and health care facilities to be submitted to the Standing Policy Committee on Protection and Community Services in the next 30 days.

IMPLICATIONS OF THE RECOMMENDATIONS

- The attached draft Outdoor Smoking By-law (Appendix A) prohibits smoking within 30 metres of the playing surface of an athletic field or a hockey rink during an organized athletic event involving individuals under the age of 18; on playgrounds; on the premises of primary schools, middle schools and secondary schools; and on the grounds of and within 8 metres from the entrance to a health care facility.

- The draft By-law also incorporates existing City of Winnipeg administrative protocols relative to smoking and, as such, prohibits smoking within 30 metres of a swimming pool, wading pool, spray pad or spray park owned or operated by the City of Winnipeg as well as within 8 metres from the entrance to a City of Winnipeg workplace.

- The By-law will be effective immediately upon Council approval.

HISTORY

- On May 3, 2010 the Standing Policy Committee on Protection and Community Services granted the request form the Winnipeg Youth Soccer Association to ban smoking 50 metres from the sidelines on soccer fields, and submitted the matter to the Executive Policy Committee and Council.

- Further, on May 3, 2010, the Standing Policy Committee on Protection and Community Services referred to the Winnipeg Public Service consideration of a smoking ban on all athletic fields where youth programming is being offered.

- At its meeting of May 12, 2010 the Executive Policy Committee referred the recommendation of the Standing Policy Committee on Protection and Community Services to the Winnipeg Public Service for report back in 60 days.

- On July 14, 2010, the Executive Policy Committee laid the matter over for 60 days in order for the Winnipeg Public Service to report back as requested by Committee on May12, 2010.

- On December 8, 2010, the Executive Policy Committee laid the matter over for up to 60 days in order for the Winnipeg Public Service to report back as requested by Committee on May 12, 2010.

- On January 31, 2011, the Standing Policy Committee on Protection and Community Services concurred in the recommendation of the Winnipeg Public Service, with the following amendment: ‘add the following words: “and the Province of Manitoba be requested to respond back within 60 days.”’ and forwarded to the Executive Policy Committee and Council.

- On February 16, 2011, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Protection and Community Services, with the following amendments:

    1. That the January 31, 2011 recommendation of the Standing Policy Committee on Protection and Community Services be concurred in with an amendment to change the requested report back timeline from 60 days to 30 days;

2. That the May 3, 2010 recommendation from the Standing Policy Committee on Protection and Community Services to grant the request from the Winnipeg Youth Soccer Association to ban smoking 50 metres from the sidelines on soccer fields be filed and submitted the matter to Council.

- On February 23, 2011, Council concurred in the recommendation of the Standing Policy Committee on Protection and Community Services, as amended and adopted the following:
  1. That given the Province of Manitoba has accepted the policy mandate and jurisdiction regarding smoking bans in public places, the City of Winnipeg actively encourage the Province of Manitoba, through regular consultations, to consider legislative changes in order to more broadly ban smoking in outdoor areas that may adversely impact the health and comfort of the public, including at all outdoor athletic fields where youth programming occurs, and the Province of Manitoba be requested to respond back within 30 days in writing.
  2. That the May 3, 2010 recommendation from the Standing Policy Committee on Protection and Community Services to grant the request from the Winnipeg Youth Soccer Association to ban smoking 50 metres from the sidelines on soccer fields be filed.
  3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.
