IMPLICATIONS OF THE RECOMMENDATIONS

- Based on significant building up-grades and its prime Downtown location and its Nationally designated Grade II heritage status, the Winnipeg Public Service

recommends together with, and subject to an equal financial contribution from the Province of Manitoba that the City's $1,500,000 Grant be approved as monies last in on the project, to help reduce the financial gap and to ensure this exciting multi-faceted entertainment complex proceeds.

- The $1.5 Million grant together with an equal or greater contribution from the Province for the Metropolitan Theatre project will leverage approximately $11,500,000 in private capital investment.
- The re-development of the Metropolitan Theatre will further support and compliment this area of the Downtown as our Sports, Hospitality and Entertainment District.
- The Heritage Investment Reserve Fund has capacity to fund the $1,500,000 Grant for this important redevelopment.

HISTORY

- Constructed in 1919 as the Allen Theatre, this is the only movie theatre of its kind remaining in its original form in Winnipeg. Its competitors have either been demolished, or have been sectioned into smaller theatres.
- In 1923 Famous Players acquired the Allen Theatre Chain and renamed the building the Metropolitan.
- The Metropolitan Theatre closed its doors on November 26th 1987.
- On January 25th 1988 Planning Committee received a letter of undertaking from Famous Players stating that they would not demolish the building and would disclose to all potential purchasers that the building was on the Historic Buildings Inventory.
- On May 30th 1988 Planning Committee recommended to Council that the Metropolitan Theatre be included on the Buildings Conservation List.
- Since then the building has receive basic building maintenance to prevent any major deterioration.
- On August 13, 2010, the City of Winnipeg was approached by the owner to help fund the adaptive reuse of the building. The owner supplied a business plan detailing the intended use of the building as a multi-function event space, while maintaining the historical look and feel of old-style theatre.
