RECOMMENDATIONS

1. That a permanent easement be granted within the portion of City-owned land located at the southwest corner of Fermor Avenue and St. Mary's Road in favour of the Louis Riel School Division, shown hatched and identified as "FIBRE OPTIC CABLE EASEMENT" on the attached Misc. Plan No. 14011.

2. That the Proper Officers of the City be authorized to do all things necessary to implement The intent of the foregoing.

REASON FOR THE REPORT

- Approval of at least two-thirds of the members of Council is required.
- The Planning, Property and Development Department intends to grant the Louis Riel School Division a permanent easement within that portion of Harry Paul Park shown hatched and identified on the attached Misc. Plan as "FIBRE OPTIC CABLE EASEMENT" for the one-time sum of $2,700.

IMPLICATIONS OF THE RECOMMENDATIONS

- There are no regulatory or human resources implications associated with this report.
- The City's standard terms and conditions of easement include provisions to protect the City's interests and ensure that any damages caused by installation and maintenance of utilities in the easement area are borne by the Louis Riel School Division.
- There are no direct financial implications associated with this recommendation.

HISTORY

- In March, 2011, the Public Service was approached by representatives of the Louis Riel School Division who requested an easement within the Harry Paul Park. The easement within the park was requested to facilitate a proposed fibre optic cable pathway which is to be contained within the public lane adjoining Harry Paul Park and continuing through the park and across Fermor Avenue.
- The proposed easement request was circulated with all City Departments with no objections being received.
- The easement agreement entered into will provide that the Louis Riel School Division will be responsible for repairing any damages caused to the park by installation or maintenance of the fibre optic cable.
