RECOMMENDATIONS

1. That a portion of City-owned property identified as “RESIDUAL CITY PROPERTY” on Misc. Plan No. 13878/2 be declared surplus to the needs of the City.
2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

- Council approval is required to declare a portion of the subject City-owned property surplus to the needs of the City.
- The Planning, Property and Development Department intends to subdivide the City property at 962 Sherbrook Street shown as “SUBJECT CITY PROPERTY” on Misc. Plan No. 13878/2 and create a buildable lot identified as “RESIDUAL CITY PROPERTY” shown on Misc. Plan No. 13878/2, which will be marketed and sold through a public offering.
- The portion of City property identified as “BIKE PATH EXTENSION” as shown on Misc. Plan No. 13878/2 will be retained by the City under the jurisdiction of the Public Works Department.

IMPLICATIONS OF THE RECOMMENDATIONS

- There are no regulatory or human resource implications associated with the report.
- The City's standard terms and conditions of sale will include provisions to protect the City's interests in the event that environmental contamination is discovered.
- The subdivision of this property will cost approximately $5,000.00. The Public Works Department has provided account no. 003-180603-181000-1832000110 to which these costs will be charged.

HISTORY

- The subject City property originally formed part of a larger parent parcel which was acquired for the Sherbrook-McGregor Overpass in the 1970's.
- The Sherbrook – McGregor Overpass Project was subsequently cancelled, and in 1983 Public Works determined that only a portion of the property was required for street widening purposes.
- In 1986 and 1991 the Winnipeg Housing Rehabilitation Corporation purchased from the City those portions of the parent parcel shown as, Lot 1, Plan 20377 and Parcel A, Plan 26978 on Misc. Plan No. 13878/2.
- In November of 2010 Public Works Department began construction of an active transportation route over the southern 3.4 m of the subject property, shown as "BIKE PATH EXTENSION" on Misc. Plan No. 13878/2.
- The portion of subject City property shown as "RESIDUAL CITY PROPERTY" on Misc. Plan No. 13878/2 has been circulated to all City departments, and no civic use for the land was identified. The Department intends to market and sell this portion of the subject property through a public offering.
- The Ward Councillor was consulted and concurs with the intentions of the Department.
