RECOMMENDATIONS

1. That the Building Restriction Caveat in favour of Kenaston Industrial Park Inc. affecting 25 Lowson Crescent shown outlined on Misc Plan No. 13563/5 attached, be cancelled.

2. That the Proper Signing Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

- The Winnipeg Land Titles Office requires that Building Restriction Caveat #2306222 in favour of Kenaston Industrial Park Inc. affecting 25 Lowson Crescent shown outlined on Misc Plan No. 13563/5 be cancelled prior to its acceptance of the registration of the Street Opening Plan for the widening of the east side of Kenaston Boulevard at Lowson Crescent.

- Kenaston Industrial Park Inc. is a dissolved company and therefore regular notice cannot be served to the company. A Municipal Board Order canceling or discharging the building restriction caveat is required. Before the Municipal Board can order the discharge of the caveat, City Council must by resolution, recommend the cancellation of the Building Restriction Caveat.

IMPLICATIONS OF THE RECOMMENDATIONS

- Upon approval by Council, the City will request the Municipal Board to issue an order to cancel or discharge the Building Restriction Caveat #2306222 to facilitate the registration of the Street Opening Plan along the east side of Kenaston Boulevard.

HISTORY

- On March 25, 2009, Council approved the Tuxedo Yards Redevelopment which is comprised of the lands at the southwest and northwest quadrants of Sterling Lyon Parkway and Kenaston Boulevard.

- Item #14 of the disposition of Council delegated authority to the Chief Administrative Officer to negotiate and approve the terms and conditions of any and all agreements required in respect of the land acquisitions needed for the widening of Kenaston Boulevard and Sterling Lyon Parkway, the widening of Shaftesbury Boulevard and the widening of the Shaftesbury Boulevard/Sterling Lyon Parkway/McCreary Road/Wilkes Avenue intersection to achieve the intent of Council under DASZ 37/2008.

- The Planning, Property and Development Department has concluded its negotiations with the five affected property owners (Centra Gas Manitoba Inc., Tuxedo Business Centre Inc., Enviro West Inc., GMW Properties Ltd. and the Canadian National Railway Company) to acquire the lands required for the street widenings.

- The Department has determined that there are no negative implications to the City in having the Building Restriction Caveat #2306222 cancelled, which will in turn facilitate the registration of the Street Opening Plan along the east side of Kenaston Boulevard.
