REASON FOR THE REPORT

- The subject property is **7,450 sq. ft., 149.27 feet by 50 feet,** with a 1,197 sq. ft bi-level constructed in 1988 and is located on the east side of Alberhill Crescent backing against De Vries Avenue / Lagimodiere Blvd in the Springfield North Neighbourhood of the North Kildonan ward.
- The proposed development will be for a 212 square foot, three season sun room constructed on the rear of the house.
- An amendment is required for the Zoning Agreement which currently restricts rear yards to 22.5 metres (73.8 feet).
- The new rear yard restriction would be *16.8 metres (55.12 feet).*

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations of the Planning and Land Use Division are concurred in, the sunroom will be allowed and the lot will have a rear yard of 16.8 metres (55.12 feet).

HISTORY

On February 26, 1986 (By-law 4294/86) the Zoning Agreement was amended to allow the two properties to the north (Lots 14 and 15) to have reduced yards of 20 metres (65.6 feet) and 16.8 metres (55.12 feet) when the houses were originally constructed.

SURROUNDING LAND USES AND ZONING

- The subject property is **7,450 sq. ft., 149.27 feet by 50 feet,** is located on the east side of Alberhill Crescent backing against De Vries Avenue / Lagimodiere Blvd in the Springfield North Neighbourhood of the North Kildonan ward.
- The site is zoned "R1-M" Single Family District and is occupied bya 1,197 sq. ft bi-level constructed in 1988.
- Adjacent lands include single family dwellings to the south, north and west along Alberhill Crescent zoned "R1-M".

DESCRIPTION OF THE PROPOSED DEVELOPMENT

- The applicant intends to build a 212 square foot, three season sun room constructed on the rear of the house at the north east corner of the building.
- The sunroom will reduce the rear yard down to 17.5 metres (57.4 feet)

ANALYSIS AND ISSUES

ZONING (BY-LAW 200/2006)

- **R1-M Residential Single-Family District – Medium** minimum lot sizes of 3,500 square feet are required.
    - Side yards of 4 feet are required.
    - Front yard requirements are 15 feet; rear yard requirements are 25 feet.
    - Maximum building height is 35 feet.

LAND USE BY-LAW

- An amendment is required for the Zoning Agreement which currently restricts rear yards to 22.5 metres (73.8 feet).
- The Zoning Agreement was placed on the property at the time of rezoning to provide deeper than standard rear yards in order to mitigate sound issues related to the subject land backing onto Lagimodiere Blvd.

RECOMMENDATIONS

The Planning and Land-Use Division supports the amendment to the zoning agreement to a reduced rear yard to allow the sun room for the following reasons:

- The proposed rear yard reduction is aligned to the rear yards previously reduced for the two lots to the immediate north of the subject lands.
- The sunroom will still exceed the under lying requirements of the Zoning By-law for rear yard setbacks.
