That a proposed Encroachment Agreement in Favour of Manitoba Club to develop and maintain a parking area encroaching onto the City right of way adjacent to 194 Broadway, as shown on attached Miscellaneous Plan No. 14047, be approved in accordance with the proposed terms and conditions as set out in the attached Schedule A.

REASON FOR THE REPORT

On March 24, 2004, Council established the Standing Policy Committee on Downtown Development. This Standing Policy Committee has jurisdiction over matters related to asset management, development control, land acquisition, land development and planning and land use in the area defined as Downtown.

On March 23, 2011, Council amended the name of the Standing Policy Committee on Downtown Development to the Standing Policy Committee on Downtown Development, Heritage and Riverbank Management.

The Encroachment Bylaw 692/74, which regulates the construction and maintenance of certain encroachments in streets, under General Regulations, clause 4 (3) (a) states that encroachments are permitted “at the pleasure of Council”.

In this regard, the Planning, Property and Development Department has negotiated the proposed terms and conditions of an Encroachment Agreement in favour of Manitoba Club.

IMPLICATIONS OF THE RECOMMENDATIONS

The Department has determined that there is no general, policy, regulatory, environmental or human resource implications to lease the lands as shown on the attached Miscellaneous Plan No. 14047.

HISTORY

Hill Sokalski Vincent Walsh Trippier, on behalf of the Manitoba Club, located at 194 Broadway, submitted an encroachment application to the City's Zoning and Permits Branch to develop and maintain a parking area encroaching onto the City right of way adjacent to 194 Broadway.

The application was circulated to applicable City departments and public utilities for consideration and comments. No objections were received.

The Planning, Property and Development Department has negotiated proposed terms and conditions of an Encroachment Agreement in favour of the Manitoba Club to develop and maintain a parking area encroaching onto the City right of way.

The Public Works Department has no objection to the proposed encroachment, subject to conditions as noted on Schedule A.

The Corporate Finance Department, Risk Management Branch, reviewed the insurance requirements for this proposed encroachment and their comments have been incorporated into the terms and conditions.

This report seeks approval of the Encroachment Agreement as negotiated.
