Report

REASON FOR THE REPORT:

Council must approve all Entertainment Funding By-law exemptions.

HISTORY:

The Entertainment Funding By-law 7710/2000 was adopted in September 2000, wherein the former Amusement Tax By-law was replaced. A report to the Standing Committee on Fiscal Issues is prepared for each scheduled meeting if an application for exemption is received. The report was first submitted for the meeting of January 16, 2001 and for each meeting thereafter as required.

DISCUSSION:

An amusement or place of amusement may be listed in Schedule “A” where an organization has submitted an application for exemption. Listings are intended to assist locally based charitable and not-for-profit cultural or athletic organizations in producing entertainment and sporting events with admission prices at a level which will encourage a broad audience. Listings are not intended to apply where an amusement is held for fund raising events in which the performers or promoters profit or where the exemption would result in for-profit gain.

The Administration has conducted a thorough review of the application received for exemption from the Entertainment Funding By-law in accordance with the criteria set forth in both Schedule “B” and By-law 7710/2000. It is recommended that Council approve listing in Schedule “A” for the Entertainment Funding Tax exemption application from the Masterworks Studio Inc., as the organization has satisfied the criteria set forth in Schedule “B “.
