File No. DAZ 203/03

RELATED FILES: Not Applicable

SITE DESCRIPTION:

Site Area: 2,847 square feet; approx. 27' by 102'

Existing Land Use and Zoning: 1-storey dwelling with store-front, zoned "R1-4A"

Surrounding Land Use and Zoning: Single-family housing zoned "R1-4A"

DEVELOPMENT DESCRIPTION:

The property contains an older, 1 storey dwelling with a floor area of about 700 square feet. Attached to the front of the dwelling is a 1 storey commercial addition with a floor area of about 625 square feet. The lot contains a single car garage, and a parking pad for 1 vehicle. Access to the parking is off the back lane. One-hour parking is available on St. Mathews.

The applicant resides on the premises. The commercial portion of the building contains the applicant's business, Academy Piano Sales and Music School. The applicant reconditions pianos in the basement of the commercial portion of the building. The pianos are displayed for sale on the main floor. The applicant also teaches music, mostly off-site.

The property is located on the eastern edge of the St. James Industrial/Commercial neighbourhood. The properties at the intersection of St. Mathews and Strathcona are zoned residential and, with the exception of the subject site, contain single-family dwellings. The closest commercial corner is a mom and pop convenience store at Valour Road and St. Mathews, two blocks east of the subject property.

The building originally contained a small grocery store. Under DAV 524/90, a beauty parlour was allowed to occupy the building. The applicant occupied the building under DAV 89/96C, under a 5-year Use Variance that expired on March 29, 2001. The Variance Order contained the following conditions:

- 15 square foot facia signage on south side of building;
- piano loading between 9:00 a.m. and 4:00 p.m. Monday through Friday off St. Mathews only;
- no pick-up or delivery of pianos for servicing on-site;
- teaching area on south side of building.

PLAN WINNIPEG:

The application complies with Plan Winnipeg in that residential land can be rezoned for commercial use in Neighbourhood Policy Areas if it is determined that the rezoning will not have a detrimental impact on the residential environment.

ADMINISTRATIVE COMMENTS:

The Development Management Branch is prepared to support this application with the following conditions, as in a recommended Zoning Agreement.

- Land use limited to piano service and sales, music school, professional offices excluding real estate, travel, or insurance agencies;
- 15 square foot, business I.D. facia sign on south side of store-front only.

The applicant wishes to erect a 57.5 square foot facia sign on the front of the store-front facing Strathcona Street. The Development Management Branch does not support this request as it would have a detrimental impact on overlooking residential properties.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 203/03, attached hereto and dated February 24, 2003, to a "C1" Commercial District, subject to the following:

A. That the applicant enter into a zoning agreement with the City of Winnipeg pursuant to Subsection 240(1) of The City of Winnipeg Charter, to provide for the following:

1. That the use of the lands be limited to the following:

- piano servicing and sales;
- music school;
- residential dwelling unit;
- professional office excluding real estate office, travel agency and insurance agency.

2. That the following signage be prohibited: free-standing, temporary, mobile, illuminated.

3. That the maximum sign surface area be limited to 15 square feet, non-illuminated facia signage located on the south side of the commercial portion of the building facing St. Mathews Avenue.

4. That, should the building be destroyed or demolished, the reconstructed building be limited to 1-storey in height and that, prior to the issuance of a

development permit, plans showing site layout, building elevations, signage, parking, landscaping, fencing, garbage enclosure and site lighting be submitted for the approval of the City Centre Community Committee.

II. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time.

IV. That the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat as a first charge against the subject land at the Winnipeg Land Titles Office, provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.

VI. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

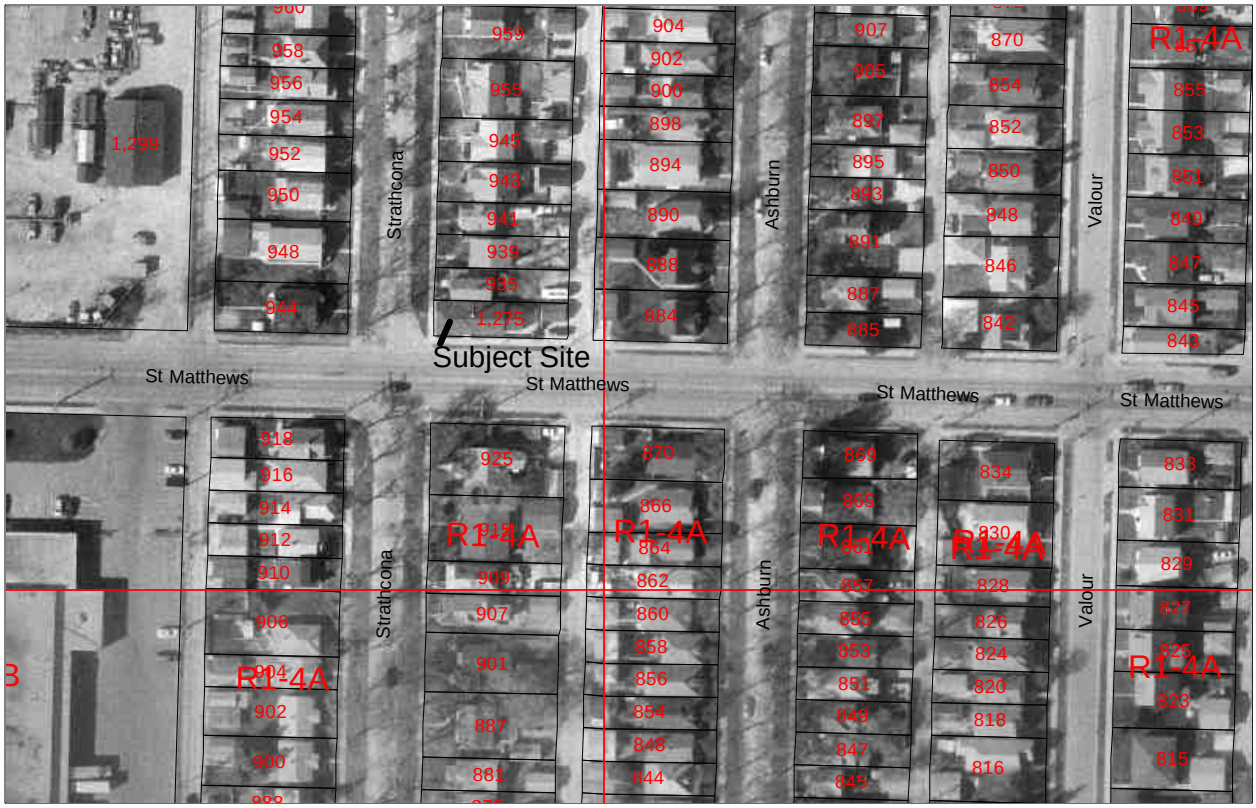

VII. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Yours truly,
