RECOMMENDATIONS

1. That the proposed terms and conditions for an encroachment agreement between the City and Portage Trail Soccer Club Inc. be approved subject to the proposed terms and conditions attached on Schedule A.
2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

In accordance with the Council Order of July 18, 1979, the Standing Policy Committee on Property and Development shall authorize the leasing or rental of City property for which the Director of Planning, Property and Development has no authority. In this regard, the Planning, Property and Development Department have negotiated the proposed terms and conditions for an encroachment in favour of Portage Trail Soccer Club Inc. for the use of the City-owned lands and part of Public Road Plan No. 10187 identified as "Leased Area" on Misc. Plan No. 13949/2 as attached. Council has the authority to permit or license the use of a public right of way.

IMPLICATIONS OF THE RECOMMENDATIONS

The Department has determined that there is no general, policy, regulatory, environmental or human resource implications to lease the lands as shown on the attached Miscellaneous Plan No. 13949/2.

Portage Trail Soccer Club Inc. will have a permanent field that will provide ample room to serve its competitive and training needs for many years to come.

The proposed encroachment agreement will formalize the terms and conditions for the use of the "Leased Area" as outlined on Misc. Plan 13949/2.

HISTORY

Portage Trail Soccer Club Inc. is an incorporated non-profit organization operating a competitive youth soccer program within the boundaries of the St. Charles Soccer District. Portage Trail offers Premier and Premier-Development soccer programs for competitive players from 13 to 18 years old.

An application was submitted to the City's Zoning and Permits Branch for the use of City-owned land shown as "Leased Area" on Misc Plan No. 13949/2 for the purpose of amateur outdoor soccer and related activities.

The application was circulated to applicable City departments and public utilities for consideration and comments. No objections were received. The Corporate Finance Department, Risk Management Branch, has reviewed the insurance requirements for this proposed agreement and their comments have been incorporated into the proposed terms and conditions.

This report seeks approval of the Proposed Encroachment Agreement as negotiated.
