Council – Communications (continued):

From the Director of Legal Services and City Solicitor,
Submitting communication dated December 5, 2011, submitting draft by-law to correct an incorrect reference in the Encroachment By-law 692/74, to clause 4(1)(c) by changing the reference to clause 4(1)(d).

Advising that the error appeared to have been caused by an amendment to the by-law in 1995, which moved a clause that referred to encroachments of an unusual or commercial nature from clause 4(1)(c) to 4(1)(d) and inserted a new clause dealing with outdoor patios as clause 4(1)(c). The reference in clause 4(3)(a) to clause 4(1)(c), which was clearly intended to refer to encroachments of an unusual or commercial nature, then became incorrect.

Further advising that the correction will not have a substantive impact on the by-law and is submitted for all three readings. (By-law No. 155/2011)

From the Director of Legal Services and City Solicitor,
Submitting as instructed by Council on September 28, 2011, draft by-law to provide compensation to members of Council, which by-law may receive all three readings. (By-law No. 158/2011)
