Dear Ms. Carnevale,

Enclosed please find the University of Manitoba's application to the Community Incentive Grant Program for the relocation of Eli Bornstein's *Structurist Relief in Fifteen Parts* from the old Winnipeg airport to the University's Fort Garry campus. This is a significant work of art and the University believes it is important to preserve the work and make it publicly accessible for future generations.

Should you have any questions about the application please do not hesitate to contact me as I would be happy to provide any additional information required.

Sincerely,
