REASON FOR THE REPORT

- The owners of the commercial strip mall at 1030 Keewatin Street intend to lease a unit to a private club,
- The property has a Zoning Agreement caveated on the Certificate of Title by the City of Winnipeg, two clauses of which restrict uses and hours of operation,
- The private club wishes to serve alcohol to its members with a closing time of 2:00 a.m.,
- Thus the owners have applied to amend the Zoning Agreement to allow a *'Drinking Establishment'* use with extended hours of operation.
- A zoning agreement amendment requires a Public Hearing as per the *Development Procedures By-law* and *The City of Winnipeg Charter.*
- The Report is being submitted for the Committee's consideration of the development application at the Public Hearing.

IMPLICATIONS OF THE RECOMMENDATIONS

- If the recommendations of the Planning and Land Use Division are concurred in, a *'Drinking Establishment'* will be allowed with a closing time of 2:00 a.m.

HISTORY

DAZ 256/86

- In June 1896, Council recommended approval of the application DAZ 256/86 to rezone the 2.56 acre site, (1030 Keewatin Street) from *'R3B-One' Planned Building Group District* to *'C2' Commercial* to allow the development of a 28,000 square foot, multi-tenant commercial,
- The rezoning included a Zoning Agreement.

Zoning By-law 200/2006

- 1030 Keewatin Street was up zoned to *'C3' Commercial* as part of the zoning rationalization of the City's existing commercial properties bringing them into alignment with the rules and regulations of the new Zoning By-law adopted March 2008.

ANALYSIS AND ISSUES

COMPLETE COMMUNITIES DIRECTION STRATEGY

- Under the *Complete Communities Direction Strategy* Keewatin Street is categorized as a Community Mixed Use Corridor falling within the Areas of Stability – Recent Communities policy area. The Complete Community Strategy states; *'Community Mixed Use Corridors act as 'Main Streets' for one or more neighbourhoods providing a strong social function.'*

- A key policy guiding the development of Recent Communities in Areas of Stability includes:
    - *'…intense and diverse development will be encouraged in Centres and Corridors.'*

ZONING

"C3" Commercial Corridor District

- The *'Drinking Establishment'* use is listed as Permitted in the 'C3' Commercial Corridor district.

LAND USE BY-LAW

Zoning Agreement DAZ 256/86

- Clause 2 of the zoning agreement for DAZ 256/86 lists 18 permitted uses for the subject site, *'Drinking Establishment'* is not included,
- Clause 3 of the zoning agreement for DAZ 256/86 restricts the hours of operation for businesses on the site to between 7:00 a.m. and 10:00 p.m.,
- Clause 4 of the zoning agreement for DAZ 256/86 allows restaurants to be open until 2:00 a.m.

COMPATIBILITY WITH THE SURROUNDING NEIGHBOURHOOD

- The subject site is zoned *'C3' Commercial Corridor 'Drinking Establishment'* use permitted in 'C3',
- The proposed unit location will face Keewatin Street and the adjacent Manufacturing District,
- The Private Club that will have approximately 50 members and must adhere to the MLCC rules and regulations for Private Club licensing,
- The MLCC rules and regulations allow Private Clubs to serve liquor between the hours of 9:00 a.m. and 2:00 a.m.

RECOMMENDATION

The Planning and Land Use Division recommends approval for the following reasons:

- *'Drinking Establishment'* is a permitted use in the *'C3' Commercial Corridor* zone,
- The establishment of a *'Drinking Establishment'* in this location should not pose any adverse effects to the surrounding context,
- The commercial building and associated units are oriented in the opposite direction in addition to being physically separated from the residential area to the west of the subject site,
- There is an existing restaurant on the subject site that is permitted to serve liquor and remain open until 2:00 a.m. that to the best of our knowledge, has not caused any issues with the adjacent neighbourhood.
