RECOMMENDATIONS

1. That Council declare the City-owned property shown outlined on Misc. Plan No. 14117, attached, surplus to the needs of the City.

2. That Council rescind a portion of its decision of March 21, 2001 in regard to using the proceeds of disposition of certain properties for the implementation of the Public Works-Water and Waste Facilities Master Plan.

3. That Council assign the proceeds of the sale of 821 Rue St. Joseph and 825 Tache Avenue in order to off-set certain Local Improvement Charges in Point Hebert North St. Boniface.

4. That the Proper Officer of the City be authorized to do all things necessary to implement the intent of the foregoing

REASON FOR THE REPORT

- Council approval is required to declare the City-owned property shown outlined on Misc. Plan No. 14117, attached, surplus to the needs of the City.
- Council approval is required to redirect the proceeds of the sale of 821 Rue St. Joseph and 825 Tache Avenue in order to off-set certain Local Improvement Charges in Point Hebert North St. Boniface.

IMPLICATIONS OF THE RECOMMENDATIONS

- The Planning, Property and Development Department intends to sell the City-owned property shown outlined on Misc. Plan No. 14117 to Qualico Developments (Winnipeg) Ltd. at fair market value and retain a "Reversionary Right" to the property for five years should it still be required for Transit Corridor purposes.
- The Department intends on marketing the City-owned Public Works Yard located at 825 Tache Avenue once vacated by the City pursuant to the Public Works-Water and Waste Facilities Master Plan.
- The Department intends to use the proceeds of sale of the properties, or a portion thereof, to offset the balance of certain Local Improvement Charges in Pointe Hebert North St. Boniface.
- A portion of the Council decision of March 21, 2001 referring to using the proceeds of disposition of certain properties for the implementation of the Public Works-Water and Waste Facilities Master Plan will need to be rescinded.
- The City's standard terms and conditions of sale will include provisions to protect the City's interests in the event that environmental contamination is discovered.
- There are no regulatory or human resources implications associated with this report.

HISTORY

- In May of 2007, the City sold the property shown shaded on Misc. Plan No. 12964/1, attached, to Qualico Developments (Winnipeg) Ltd. pursuant to an Expression of Interest.
- The proceeds of the sale of the subject property together with a Building Communities Grant was to be used towards offsetting the costs of installing infrastructure along the frontages of existing private and remaining City properties.
- Council, at its meeting held on June 20, 2007 approved the sale of the subject property and instructed that the net proceeds be utilized for infrastructure improvements in the North St. Boniface Parkway (clean up of 755 Tache Avenue).
- Qualico Developments is in the process of making application to subdivide and rezone all of its property in Pointe Hebert North St. Boniface for redevelopment.
- As part of this redevelopment, Qualico will be petitioning a Local Improvement in due course in order to recover the balance of the costs associated with infrastructure improvements not covered by the proceeds of the sale of the subject property together with a Building Communities Grant.
- A number of long term residents of the Pointe Hebert neighbourhood have vocally objected to the proposed Local Improvement Charge.
- The Ward Councillor is supportive of the intention of the Planning, Property and Development Department to use proceeds of sale of the properties, or a portion thereof, to offset the balance of Local Improvement Charges in Pointe Hebert North St. Boniface.

FINANCIAL IMPACT

Financial Impact Statement Date: October 17, 2011

Project Name:

To seek Council Approval to redistribute Proceeds of Sale towards certain Local Improvement Charges – Pointe Hebert North St. Boniface

COMMENTS:

There are no financial implications associated with this report other than for Recommendation # 3, which states, "That Council assign the proceeds of the sale of 821 Rue St. Joseph and 825 Tache Avenue in order to off-set certain Local Improvement Charges in Point Hebert North St. Boniface."

If approved, the net proceeds of 821 Rue St. Joseph and 825 Tache Avenue will be used to pay for certain infrastructure improvements that would otherwise have been collected from benefitting property owners and will result in the net proceeds of disposition being unavailable for the East Yards Complex portion of the Public Works - Water & Waste Facilities Consolidation project.
