Dear Mayor Katz:

Re: Review of the Memorandum of Agreement between the City of Winnipeg and the Amalgamated Transit Union Local 1505

Pursuant to the motion adopted by Council on March 26, 1997, "The City of Winnipeg Collective Bargaining Agreements and the Involvement of Internal and External Auditors", we have reviewed the attached report *Negotiations between the City of Winnipeg and the Amalgamated Transit Union Local 1505* ("the report") prepared by the Corporate Support Services Department. The purpose of our review was to provide certain assurances as to the completeness of the anticipated changes in the financial cost to the City of Winnipeg as a result of the Memorandum of Agreement between the City of Winnipeg and the Amalgamated Transit Union Local 1505 dated November 18, 2011. The term of the agreement covers the period from January 16, 2011 – January 17, 2015.

Our review included an assessment of the Memorandum of Agreement, and based upon the knowledge obtained from this assessment, ensuring that the net incremental costs and/or savings to the City of Winnipeg have been completely and appropriately identified, calculated and summarized and that all significant assumptions used by the Corporate Finance Department's Financial Planning and Review Division and Corporate Support Services' Labour Relations and Total Compensation Division to prepare the report are disclosed. In addition, we met with personnel from the Corporate Support Services and Corporate Finance Departments to review the process and details provided in the cost analysis.

The report represents the net incremental costs or savings projected to be incurred by the City of Winnipeg as a direct result of the Memorandum of Agreement. Since the analysis is based on the disclosed assumptions regarding future events, actual results for the agreement period will vary from those calculated. Accordingly, we do not express any opinion as to whether the estimated net incremental costs for the Memorandum of Agreement will be realized.

Based on this review, we concur that this analysis has been prepared in an appropriate manner for the consideration of City Council.

Sincerely,

Brian Whiteside, CA•CIA

Review of the Incremental Cost of the Memorandum of Agreement between the City of Winnipeg and the Amalgamated Transit Union, Local 1505, dated November 18, 2011

To: The City Council of the City of Winnipeg

At the request of the City of Winnipeg, we have reviewed the Negotiations between the City of Winnipeg and the Amalgamated Transit Union, Local 1505 prepared by the Corporate Support Services (financial information) to analyze the costs of the provisions of the Memorandum of Agreement between the City of Winnipeg and the Amalgamated Transit Union, Local 1505, dated November 18, 2011 (Memorandum of Agreement). Our review was made in accordance with Canadian generally accepted standards for review engagements and, accordingly, consisted primarily of inquiry, analytical procedures and discussion related to information supplied to us by the City of Winnipeg.

A review does not constitute an audit and, consequently, we do not express an audit opinion on this financial information.

Management of the City of Winnipeg has made assumptions regarding the interpretations of the provisions of the Memorandum of Agreement which have been disclosed in the Incremental Cost of Memorandum of Agreement.

Based on our review, nothing has come to our attention that causes us to believe that the financial information prepared by Corporate Support Services does not, in all material respects, reflect the cost of the provisions, and the assumptions regarding the interpretations of these provisions, of the Memorandum of Agreement between the City of Winnipeg and the Amalgamated Transit Union, Local 1505, dated November 18, 2011.
