RE: Street Name Change - John Bruce Road to John Bruce Road, East

RECOMMENDATION:

That the Riel Community Committee recommend to the Standing Policy Committee on Property and Development that it recommend to Council that the currently registered street name "John Bruce Road" as shown on Schedule "A" attached hereto and dated January 11th, 2002 be changed to "John Bruce Road, East".

I. That the Director of the Planning, Property and Development Department be requested to provide the necessary legal description to the City Solicitor for the purpose of preparing a by-law.
II. That the City Solicitor be requested to prepare the necessary by-law for approval by Council for registration in the Winnipeg Land Titles Office and that the street name change become effective upon third reading.
III. That the City Solicitor, upon passage and adoption of the by-law by Council, be authorized to publish the street name change in two daily newspapers having a general circulation throughout the City of Winnipeg.
IV. That the City Clerk be requested, upon passage of the by-law, to provide the relevant Community Clerk with a copy of the by-law and this report for the purpose of changing all pertinent records and notifying all persons affected by the by-law.

REASON:

Approval is required by the Community Committee for conditions of approval in order to effect necessary street name changes.

HISTORY and DISCUSSION:

Since the closing of John Bruce Road at the CPR Emerson subdivision crossing, there are now two discontinuous portions of John Bruce Road. The portion of John Bruce Road from St. Anne's Road, east to closed bridge will remain as John Bruce Road and that portion east of the closed bridge will be renamed John Bruce Road, East. Although it would have been desirable to totally rename the eastern leg of John Bruce to a new name, it was felt that since the John Bruce family were original homesteaders in this area, that by adding the "east" designation this would alleviate any confusion between the two discontinuous segments and still honour the family by keeping the existing name.

The Planning Property and Development has no objection to this name and is requesting approval from your Committee.
