COUNCIL DECISION:

Council concurred in the recommendation of the Executive Policy Committee and adopted the following:

1. That the report of the Winnipeg Public Service dated January 13, 2012, be received as information.

2. That the City of Winnipeg Public Service be directed to work with the Province of Manitoba and the Rural Municipality (R.M.) of Springfield to achieve the following:

    A. A plan for the establishment of the full extension of municipal services (Water, Storm Sewer, Sanitary Sewer, Paved Roads, Fire Hydrants, Fire Protection) within the next ten years inside the R.M. of Springfield on the lands known as the Springfield Industrial Park, namely the lands within the Perimeter Highway and north of Gunn Road, and that said services would be paid by property owners within the said R.M. of Springfield;

DECISION MAKING HISTORY:

B. That the R.M. of Springfield enter into a Service Agreement to cover the full cost of Professional Fire Fighting and Paramedic Services from the City of Winnipeg extending said services into the R.M. of Springfield Industrial Park (north of Gunn Road and within the Perimeter Highway) until such time that modern Fire Protection Services are extended by the R.M. itself; and the Winnipeg Public Service formally report back in 6 months with an update.

3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.
