RECOMMENDATIONS

- That Council delegate to the Chief Administrative Officer authority to approve sponsorship agreements which allow for exclusive rights within streets, the Rapid Transit Corridor, walkways throughout the City including the skywalk system or any other public spaces under the authority of the City of Winnipeg, for the purposes of engaging in commercial transactions.
- Notwithstanding the above recommendation, that the Office of the Chief Administrative Officer ensure the necessary review processes are completed to facilitate compliance with all City bylaws for each sponsorship opportunity under consideration by the City, prior to the final review and approval by the Chief Administrative Officer.
- That Council enact an amending by-law (draft by-law attached as Schedule A) that will implement Recommendations 1 and 2.
- That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

The granting of delegated authority to the Chief Administrative Officer requires Council approval.

IMPLICATIONS OF THE RECOMMENDATIONS

General Implications

This recommendation would address future sponsorship agreements where the sponsor has agreed to provide a sponsorship to the City in exchange for exclusive rights within City streets, the Rapid Transit Corridor, walkways or public spaces for the purposes of engaging in commercial transactions, such as placement of newspaper vending devices.

Financial Implications

There are no financial implications associated with this report.

HISTORY

- On November 21, 2007, Council approved the City of Winnipeg Sponsorship policy. The policy requires that Council approve the sale of naming rights to any civic facility or asset. All other sponsorships require only the approval of the Chief Administrative Officer.
- Certain by-laws restrict the issuance of a permit giving a person the exclusive rights to use all or part of a street for the purposes of engaging in commercial transactions and therefore Council approval for the above-mentioned delegation is being requested for future sponsorships that provide for exclusive rights within City streets, the Rapid Transit Corridor, walkways throughout the City including the skywalk system or any other public spaces under the authority of the City of Winnipeg, for the purposes of engaging in commercial transactions.
