RECOMMENDATIONS

1. That the subject City-owned property located between 724 and 730 Victoria Avenue West, shown on Misc Plan No. 14099/2, as "Subject City Property" be declared surplus to the needs of the City.
2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required to declare the Subject City Property surplus to the needs of the City.

The Planning, Property and Development Department intends to sell the Subject City Property to the adjoining owners in accordance with delegated authority granted to the Director for the sale of small parcels to be used for residential purposes.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no regulatory or human resource implications associated with the report.

The City's standard terms and conditions of sale will include provisions to protect the City's interests in the event that environmental contamination is discovered.

There are no direct financial implications associated with this recommendation.

HISTORY

The subject property was originally owned by the “old” City of Transcona and retained by the City because of the high pressure pipe line that runs through the middle of the property. The pipeline right of way was placed on the property in 1950. The existing easement agreement in favor of Winnipeg Pipeline Company Ltd. encumbers the entire property and restricts the placement of permanent structures over the easement area; therefore, deeming the property unbuildable.

Recently, the subject property was circulated to all City Departments and no Civic need was identified.

The adjacent property owners at 724 and 730 Victoria Avenue West have expressed interest in purchasing the subject property. It is the intent of the Planning, Property and Development Department to offer one half of the subject property to each adjoining owner for consolidation with their current holding. The Purchasers are responsible for all costs associated with the required subdivision.

The Ward Councillor was consulted and concurs with the intentions of the Department.
