STANDING POLICY COMMITTEE ON PUBLIC WORKS

QUESTION PERIOD

Minute No. 374
In noting that the Executive Policy Committee on April 23, 2003, referred Item 4 of the Report of the Standing Policy Committee on Public Works, dated April 15, 2003, to the Chief Administrative Officer for additional information, Councillor Steek questioned why it would have been laid over when the myriad of documentation was there.

Councillor Angus clarified that the Executive Policy Committee wanted additional information, specifically on how many times insurance policies had been issued without any deductible clause attached to it. He further noted that implementation was considered to be the beginning of 2004, providing plenty of time to deal with some of the specifics and proceed to Council.
