Dear Ms. Freeman:

SUBDIVISION AND REZONING
Land located south of McGillivray Boulevard, east of Linden Ridge Drive
City Centre Community
File No. DASZ 30/02

An application has been received from Linden Ridge Development Corporation for approval of a plan of subdivision and related zoning change to Zoning By-Law No. 6400/94 by rezoning the subject lands from an "A" Agricultural District and "M2" Industrial District to a "R1-4" Residential District to permit housing development. Some lands are to remain zoned "A" Agricultural District.

SITE DESCRIPTION:

Site Area: Approx. 40 acres

Existing Land Use: vacant

Surrounding Land Use: The Linden Woods neighbourhood lies to the north of the subject lands across McGillivray Boulevard. The west side of Waverley Street, to the east of the subject lands, is developed with a mix of commercial and industrial uses. The lands are bounded on the south by the Waverley Memorial Gardens cemetery and funeral home at 1501 Waverley. Beyond the cemetery, across Chevrier Boulevard, lies the Fort Garry Industrial neighbourhood. The lands to the west are developed with housing as part of the initial stages of the Linden Ridge Community.

DEVELOPMENT DESCRIPTION:

The site is bisected by the easterly extention of Falcon Ridge Drive. The lands to the north of Falcon Ridge, about 12 acres, are to remain in agricultural zoning for the time being. The lands to the south of Falcon Ridge Drive are being rezoned "R1-4" and will accommodate about 130 single-family homes on 40+ foot lots. The applicant is registering a block plan that will open the public rights-of-way. As lots are required, the blocks will be further subdivided under "short-form" (DASSF) subdivision applications. Initally, 11 lots are being subdivided fronting Linden Ridge Drive, ranging in width from 55 feet to 60 feet. The concept plan allows for the future integration of adjacent private lands to the northeast that are currently underdeveloped.

PLAN WINNIPEG:

The application complies with Plan Winnipeg. The lands are designated Neighbourhood Policy Area.

ADMINISTRATIVE COMMENTS:

The Development Management Branch was opposed to the redesignation of the Linden Ridge neighbourhood from Industrial Policy Area to Neighbourhood Policy Area in view of the surrounding industrial development and the inability of the area to generate enough students for a public school. However, as City Council approved the redesignation and the subsequent residential development, the administration accepts the current application as the logical expansion of the Linden Ridge residential community. It is noted that the cash-in-lieu of park dedication has been honoured under the initial development agreement for Linden Ridge.

RECOMMENDATION:

I. That the plan of subdivision proposed under File No. DASZ 30/02 be approved for preparation as a plan of subdivision by a Manitoba Land Surveyor in accordance with Schedule "A" for File No. DASZ 30/02, attached hereto and dated February 19, 2003, for registration in the Winnipeg Land Titles Office, subject to the following:

A. That the Developer be required to enter into an Addendum to Development Agreement AG 6/97 covering the specific servicing requirements of the proposed development.

II. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

III. That Zoning By-Law No. 6400/94 be amended by rezoning the subject land as shown on Schedule "A" for File No. DASZ 30/02, attached hereto and dated February 19, 2003, to an "A" Agricultural District and a "R1-4" Residential District.

IV. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time.

V. That the City Solicitor be requested to prepare the necessary by-law in accordance with the above.

VI. That the subdivision section of the by-law shall come into force and effect upon execution by the City of Winnipeg of the Development Agreement Addendum.

VII. That the zoning section of the by-law shall come into force and effect when the Plan of Subdivision has been registered in the Winnipeg Land Titles Office, **provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.**

VIII. The Plan of Subdivision shall be approved and signed by the Director of Planning, Property and Development within two (2) years of the date of passage of the aforementioned by-law.

IX. In the event that the necessary City of Winnipeg mylar approval signatures have not been secured within 24 months after adoption of the by-law, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time.

Yours truly,

V. Buckley, Manager of Planning and Land Use

Re: Proposed subdivision and rezoning of land located south of McGillivray Boulevard, east of Linden Ridge Drive - DASZ 30/02

An application has been submitted by Linden Ridge Development Corp. to subdivide and rezone land located south of McGillivray Boulevard, east of Linden Ridge Drive. The land is located east of and immediately adjacent to the portion of Linden Ridge approved under development application DASZ 6/97 and covered under Development Agreement AG 6/97 as amended on November 11, 2000. It is recommended that approval of DASZ 30/02 be subject to the Developer entering into an addendum to Development Agreement AG 6/97.

Development Agreement AG 6/97 contains certain arrangements with respect to the Developer's financial obligations which are tied to the staging and phasing of development. The details of those arrangements require clarification.

It is therefore recommended that Development Agreement AG 6/97 be amended as follows:

1. By attaching to the development agreement a copy of the plan of subdivision approved under DASZ 30/02;
2. By attaching to the development agreement a copy of a conceptual drawing showing the servicing requirements for the land within the plan of subdivision approved under DASZ 30/02;
3. By adding a clause to the development agreement requiring the Developer to pay $1,200.00/acre of Phase 3 in lieu of the City's administration and related costs associated with the preparation and implementation of the Addendum to Development Agreement AG 6/97.
4. By amending the development agreement throughout so that the portions of Linden Ridge west of Linden Ridge Drive are consistently identified as Phases 1 and 2 and the portion east of Linden Ridge Drive is consistently identified as Phase 3;
5. By amending Clause 9.a) in Schedule "C" of the development agreement to stipulate that the Developer's share of the cost of road improvements in McGillivray Boulevard be apportioned as follows:
   i) Phases 1 and 2: two-thirds
   ii) Phase 1: one-third;
6. By amending the amendment to the development agreement dated November 11, 2000 to stipulate that letters of credit shall be posted in connection with performance and builders' liens prior to commencement of Phase 3.

Dedication of land for public open space is not applicable to DASZ 30/02 as this requirement was fully satisfied within Phases 1 and 2 under DASZ 6/97.
