REASON FOR THE REPORT

To streamline (update) the existing decision-making process for the appointment of citizen members to boards and commissions, in particular, the methods of communication and the recruitment process.

Amendments to the Council adopted Policy and Procedure for Citizen Member Appointments to the City of Winnipeg's various Committees, Boards and Commissions, requires Council approval.

IMPLICATIONS OF THE RECOMMENDATIONS

- For many years, printed informational documents have been prepared for distribution to citizens during the annual recruitment process. More recently, information has been published on the City's Web page, including the ability to file an application on-line. Advertising was previously done only in printed form, however, recently was extended to include on-line advertising in daily, community and ethnic newspapers, in keeping with the intent from Council.

- To promote consistency for Museum Board appointments for those Museums which are owned and funded by the City of Winnipeg.

HISTORY

Process for Citizen Member Appointments

The Procedure By-law No. 50/2007, Rule 57(5) provides that "the appointments of all citizen members to Committees, Boards and Commissions shall be made by Council on or before its first meeting in January in the year following the November Organization Meeting, in accordance with the selection process by Minute of Council 98, dated November 16, 1988, and shall hold office until their successors have been appointed.

On November 16, 1988, Council approved a Policy and process for the appointment of citizen members to the City's various boards and commissions, which included:

- The Executive Policy Committee striking an Ad Hoc Committee to separate the civic boards and commissions under the appropriate Standing Committees;
- The City Clerk's Department inviting nominations to fill vacant citizen member positions by placing advertisements in the two daily newspapers on October 1st of each year, including citing the deadline for applications as October 21st;
- The Standing Committee conducting their respective selection process in time for Council to approve those nominated at its first meeting the following January.
- Once Council approved the appointments, the City notifying the appointees by letter and placing an advertisement in the local media announcing the names of the successful candidates.

On September 27, 1989, Council amended its Policy with direction to the City Clerk's Department to include advertisements in ethnic newspaper or newsletters to fill vacant citizen member positions on the City's several boards and commissions.

On January 24, 1990, Council amended its process with direction that in the future, all applications received by the City Clerk from Citizens seeking to be nominated for appointment to The Winnipeg Public Library Board and/or Library Advisory Committee in their respective Community area, be referred directly by the City Clerk to the Community Committee of jurisdiction, for consideration.

On July 31, 1991, Council approved the publication of informative handout materials respecting the work of the various boards and commissions, the issuing of press releases when applications are being called and advertising for applicants on television, radio as well as in the newspapers, with such notice commencing at the beginning of October. Consideration was also to be given to revising the application form, including developing special forms for some boards. Also, late applications would be

considered if suitable candidates are not found amongst those who submitted their applications prior to deadlines. Further, if suitable candidate(s) cannot be found through the application process, that members of Council be invited to bring forward names, together with personal resumes of prospective candidates, for consideration.

On September 22, 1993, Council requested the Executive Policy Committee to establish a Selection Committee charged with the responsibility to appoint citizens to such Boards and Commissions.

On December 14, 1994, Council amended its Policy to ensure that citizen members reside within The City of Winnipeg and/or ward affected.

On September 27, 1995, Council amended its Policy by deleting the requirement that applications must be sent to the City Clerk's Office no later than October 21st in every year and substituting the words "the third Friday in November in every year".

To streamline the existing decision-making process for the appointment of citizen members, in particular, updating the methods of communication and the recruitment process, it is recommended that the process outlined on Appendix A be approved.

Citizen Member Appointments to Museum Boards

The City of Winnipeg owns and provides annual funding for the following museums:

- Fire Fighters Museum
- Grants Old Mill
- Historical Museum of St. James-Assiniboia
- Le Musée de Saint-Boniface Museum
- Ross House
- Seven Oaks House Museum
- Transcona Historical Museum

On March 2, 1988, Council approved the Restructuring of Museums Boards, specifically the four museums that received yearly grants from Council at that time (St. Boniface, Seven Oaks House, St. James-Assiniboia and Transcona Historical Museums), and which included the provision "that each Museum Board have, as a member, at least one City Councillor from the local Community Committee".

The appointments of citizen members on the above Museum Boards vary:

- The Fire Fighters Museum is leased to the Fire Fighter's Historical Society who elects its Board membership.

- The Boards for the Grants Old Mill and the Historical Museum of St. James-Assiniboia are elected by the membership.

- The Ross House Museum is operated by the Manitoba Historical Society who elects a volunteer Council (Board of Directors).

- The St. Boniface Museum By-law No. 4824/98, section 4(a), provides that the Board shall be comprised of 9 members of whom 1 shall be a Councillor or his or her designate and 8 shall be citizens; the Councillor member and 8 Citizen Members to be appointed by Council.

- The Seven Oaks House Museum Operating Terms of Reference, adopted by Council on April 24, 2002, provides that the Board shall be comprised of 9 members of whom 1 shall be a Councillor and 8 shall be citizens, all to be appointed by Council.

- The Transcona Museum Board consists of 12 members, 11 citizen members appointed annually by the Transcona Historical Museum Board and 1 member of Council appointed annually from the local Community Committee.

To provide consistency in the appointment of members on City-owned Museum Boards, it is recommended that all citizen members be appointed by Council, with a maximum of eight citizen members appointed to each Board. Further, in keeping with existing practice, the appropriate Community Committee would submit nominations for citizen members to the Executive Policy Committee.

Further, in keeping with the intent of the March 2, 1988 Council Decision, each Museum owned by and receiving annual funding from the City of Winnipeg should have representation by at least one Member of Council. Therefore, it is recommended that annually at the City Organization Meeting, one City Councillor be appointed as a Board Member or Liaison for each of those Museums.
