This report also responds to Council Minute No. 141 (January 27, 2010) directing the Public Service to report back to Council on the status of the *Call to Action for OurWinnipeg*.

IMPLICATIONS OF THE RECOMMENDATIONS

The *OurWinnipeg Report to the Community* is the first annual report on the status of OurWinnipeg implementation.

Following Council's receipt of the *OurWinnipeg Report to the Community* as information, the report will be submitted to the Minister of Local Government.

DISCUSSION

On July 22, 2011 City Council gave third reading to *OurWinnipeg,* the City's new development plan. The plan officially came into force and effect on August 17, 2011 replacing Plan Winnipeg 2020 Vision. *OurWinnipeg* sets out the goals, policies and guidelines intended to direct all physical, social, environmental and economic development now and into the future.

The *OurWinnipeg Report to the Community* is the first annual report on *OurWinnipeg* and it provides high level highlights of activities connected to key areas of the plan from the last 12-16 months.

The *OurWinnipeg Report to the Community* was coordinated by the Urban Planning Division, with considerable support, input and contribution from across the organization.

Report Content
The report is 40 pages in length and contains 19 sections, each representing a key *OurWinnipeg* policy area. Each section of the report begins with a high level introduction, and includes the following components:

- Policy Direction – Provides an overview of *OurWinnipeg* and other policies that are relevant to the section.
- Recent City and Community Activities – Four to six highlights from the last year that are most relevant to this section.
- Tracking Progress – provides a high level overview of how this area has changed over the last year and the accumulated result of activities in this area.
- Web links and photos

Public Engagement
OurWinnipeg was created with the input of more than 42,000 Winnipeggers through speakupwinnipeg.com, roundtables, open houses, major face to face events, and through community outreach. In the spirit of *OurWinnipeg*, public involvement on the *OurWinnipeg* Report to the Community was undertaken in the following ways:

- A number of "on the spot" consultations at approximately eight locations throughout the city.
- Online engagement, through social media and on SpeakUpWinnipeg.com.
- An open house event at the Millennium Library.

In total, more than 600 people participated in this process.

The Call to Action
The *Call to Action for OurWinnipeg,* endorsed by Council in January 2010, was prepared midway through the process of collaborating with the community on *OurWinnipeg*. In addition to laying out the high-level direction of the development plan, the *Call to Action* included 76 "first step" actions.

Input from across the organization has been compiled into a succinct Call to Action status update (Attachment C). Of the 76 Call to Action items, 73 are either in progress or completed.
