RECOMMENDATIONS

1. That the City of Winnipeg enter into the negotiated agreement with Manitoba Public Insurance Corporation (MPI) regarding the Vulnerable Professional Program.

2. That the Chief Administrative Officer be delegated the authority to enter into or renew any future similar Manitoba Public Insurance contracts or agreements intended to protect the identity and safety of any employee of the City of Winnipeg.

REASON FOR THE REPORT

The Vulnerable Profession Program Agreement requires approval from Council. Council must delegate their authority for future similar Manitoba Public Insurance Agreements.

IMPLICATIONS OF THE RECOMMENDATIONS

Details of the recommended Vulnerable Profession Program Agreement cannot be disclosed in order to preserve the effectiveness of the program and officer safety.

The Agreement is effective for an indefinite period.

HISTORY

Certain members of the Winnipeg Police Service are at risk to intimidation or retribution from persons impacted by decisions made in the administration of justice. These members of the Service may be at risk if their personal information contained in identification documents is available.

The Winnipeg Police Service already informally participates in the vulnerable profession program with MPI. The recommended Vulnerable Profession Program Agreement formalises the participation and ensures conformation with privacy and legislative requirements. Further, this agreement sets out the procedure for MPI to provide identification documents.

As an additional recommendation pertaining to such agreements, while MPI currently has similar agreements with certain other departments in the City of Winnipeg, additional agreements may be required for employees in other departments in the future. It is for all of those potential similar agreements with Manitoba Public Insurance that delegation is being requested.
