RECOMMENDATIONS

1. That the subject City-owned property located on the Northwest corner of Bison Drive and the CNR Letellier Line, shown on Misc Plan No. 10145/17 as “Subject City Property” be declared surplus to the needs of the City.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required to declare the Subject City Property surplus to the needs of the City.

The Planning, Property and Development Department intends to sell the subject City Property to the adjoining owner in accordance with the Council approved “Offers to Purchase City-Owned Property Policy”, whereby the Department may act on unsolicited offers for City-owned property from an adjacent owner when the property in question is not developable on its own.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no regulatory or human resource implications associated with the report.

The City’s standard terms and conditions of sale will include provisions to protect the City’s interests in the event that environmental contamination is discovered.

There are no direct financial implications associated with this recommendation.

HISTORY

The City acquired the subject property prior to Unicity. The City's intended use for the subject property was for a future Park & Ride location in conjunction with the Southwest Transit Corridor. Transit and the Streets and Transportation Divisions of the Public Works Department have since reviewed their requirements and deem the subject property surplus to their needs.

Recently, the subject property was circulated to all City Departments and no Civic need was identified.

The adjacent property owner has expressed interest in purchasing the subject property. It is the intent of the Planning, Property and Development Department to offer the subject property and the area shown as "Proposed Closing" on Misc Plan No. 10145/17 to the adjoining owner for consolidation with their current holding, in accordance with the City's standard terms and conditions of sale, and upon such additional terms and conditions that the Director of the Planning, Property and Development Department and the Director of Legal Services and City Solicitor consider necessary to protect the interests of the City.

The Ward Councillor was consulted and concurs with the intentions of the Department.
