IMPLICATIONS OF THE RECOMMENDATIONS

Concurrence with this recommendation will enable 6574166 Manitoba Ltd. to complete the development of this property pursuant to the terms and conditions of Servicing Agreement AG 4/2011.

HISTORY

The parties are asking the City's consent to allow 6574166 Manitoba Ltd. to legally assume responsibility for Servicing Agreement AG 4/2011.
The City entered into Servicing Agreement AG 4/2011 with 6088113 Manitoba Ltd. effective June 22, 2011 (executed on September 7, 2012). The subdivision mylars and related documents were released to the Developer on October 26, 2012 for registration in the Winnipeg Land Titles Office. The Planned Area is shown in Appendix "A".

Servicing requirements include the construction of a northbound left turn storage lane in Pembina Highway and fencing to ensure that "pedestrian trespass" to the railway tracks does not become a consequence of the subject development. The Developer (6088113 Manitoba Ltd.) has provided the City with a cash deposit in the amount of $78,000 to guarantee the servicing requirements. The City will refund the deposit upon satisfactory completion of the above-noted works, or sooner, if a satisfactory replacement cash security or Letter of Credit is provided by the new proponent. As an alternative 6088113 Manitoba Ltd. may choose to authorize the City to refund any deposits forthcoming to 6574166 Manitoba Ltd.

Attached as Appendix "B" is a document, signed by both 6088113 Manitoba Ltd. and 6574166 Manitoba Ltd. consenting to the assignment of Servicing Agreement AG 4/2011.

The Winnipeg Public Service has no objection to this request.

The City has consented to the assignment of Servicing Agreements in the past.
