RECOMMENDATIONS

1. That By-law No. 4/2013, the Waverley West Southwest Neighbourhood Area Structure Plan, be forwarded to Council for First Reading to allow for the Riel Community Committee to conduct a Public Hearing.

REASON FOR THE REPORT

An application has been received for the adoption of a Neighbourhood Area Structure Plan for Waverley West Neighbourhood "D". The Waverley West Area Structure Plan (By-Law No.10/2006) indicates that there will be specific Neighbourhood Area Structure Plans to implement the policies of the Waverley West Area Structure Plan (WWASP). Until approval of a Neighbourhood Area Structure Plan for the specific neighbourhood, any development application within such area is considered premature and cannot be accepted. The applicant intends to submit a subdivision and rezoning application for a combined hearing at Community Committee.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendation is concurred in, the Riel Community Committee will conduct a Public Hearing on the proposed secondary plan in combination with a subdivision and rezoning application. A full analysis of the Neighbourhood Area Structure Plan including a recommendation from the Planning, Property and Development Department will be provided in a subsequent report submitted as part of the agenda for the Public Hearing.

HISTORY

On July 26, 2006, Council passed By-Law No.10/2006, The Waverley West Area Structure Plan By-law.

Section 13.0 Neighbourhood Area Structure Plan requires the implementation of the WWASP through the Neighbourhood Area Structure Plans and outlines the basic composition for the Neighbourhood Area Structure Plans.

On October 25, 2012, the applicant submitted the Area Structure Plan for Neighbourhood “D”, the Southwest Neighbourhood, in accordance with the basic requirements of the Waverley West Area Structure Plan to establish a new mixed use neighbourhood.
