Report - Standing Policy Committee on Property and Development - June 3, 2003

Item No. 5 Proposed Rezoning - 567 St. Anne's Road
File DAZ 219/2002

STANDING COMMITTEE RECOMMENDATION:

On June 3, 2003, the Standing Policy Committee on Property and Development concurred in the recommendation of the Riel Community Committee as amended, and submits the following to Council:

1. That Winnipeg Zoning By-law No. 6400/94 be amended by rezoning the subject land as shown on Schedule "A" for File DAZ 219/2002 dated April 6, 2003, to a "C1" Commercial District.

2. That the Developer be required to enter into a Servicing Agreement with the City containing all conditions outlined in the report of the Administrative Coordinating Group dated April 3, 2003, with the following amendments:

   A. That Clause 1. be amended by deleting the words "the basis of the rates prevailing at the time payment is made" and replacing them with "an area basis as determined by the Director of Public Works".

   B. That Clause 2. be deleted in its entirety.

3. That a ten percent (10%) dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

4. That in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of this time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

5. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

6. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

SUMMARIZATION OF REPRESENTATIONS AND SUBMISSIONS MADE AT THE PUBLIC HEARING:

April 15, 2003

Nancy and Al Streuber appeared in support of the application. Ms. Streuber explained the application and the nature of her business. Ms. Streuber also explained that she had been in continuous contact with the Planning, Property and Development Department asking what costs would be associated with rezoning the property in question. Ms. Streuber indicated that only days prior to the public hearing she received a call from the Planning, Property and Development Department and was told that the report for the rezoning would contain a servicing agreement

containing a condition whereby she would be required to pay a portion of the cost of surface improvements installed by the City in St. Anne's Road which would be approximately $250.00 per lineal foot or about $25,000.00.

Ms. Streuber explained that, having been given only four days to contemplate this expense, it would be appreciated if her and her husband could have more time to digest the information. Councillor Steeves recommended that the application be adjourned to the meeting to be held in May to give Mr. and Mrs. Streuber a chance to meet with the administration.

May 5, 2003

Nancy and Al Streuber again appeared in support of the application. Ernest Carrière indicated that he had left a message with Mr. and Mrs. Streuber indicting that the City would be asking for $8, 122.30 instead of the estimated $25,000.00 for surfacing improvements installed by the City in St. Anne’s Road abutting the proposed development. Mrs. Streuber indicated that she was willing to pay her fare share but that she was concerned that the City of Winnipeg had not provided the necessary information in a timely manner and that the City should ensure that the rezoning process is looked at and made more transparent and user-friendly.

Dear : Mr. Pittet

REZONING
Location: 567 St. Anne's Road
Riel Community Committee
File No. DAZ 219 /02

An application has been received from T.T.F. Income Consultants, to amend By-Law No. 6400/94 by rezoning the land shown below from an " R1-20" Single Family District to a " C1" Commercial District to allow for a Financial Planning Office.

RELATED FILES:

SITE DESCRIPTION:

Site Area:

The overall property area totals 22,826 sq. ft. with 101 feet of frontage on St. Anne's Road.

Existing Land Use and Zoning:

The site is currently occupied with a 1700 sq. ft. building (formerly a Lawn Man Business) a garage and a parking area. While zoned R1-5 Residential, it has in recent years, by way of variance, been utilized for business purposes.

Surrounding Land Use and Zoning:

North: Immediately to the north is a low density housing project zoned RM-L Multiple Family and a Commercial area fronting St. Anne's zoned C2 Commercial.
South: Immediately to the south and rear is a large vacant area extending east to the Seine River zoned R1-20 Residential.
East: As outlined, the property to the east is vacant, heavily treed and zoned R1-20 Residential.
West: To the west across St. Anne's is a large vacant area zoned C2 Commercial.

DEVELOPMENT DESCRIPTION:

The applicants propose to transform 567 St. Anne's into an attractive commercial development for a financial consulting office with improvements and renovations planned for both the interior and exterior of the existing building. The landscape plan will utilize existing mature trees situated on the property complimented by additional plantings and a rock garden. The building will be retrofitted to meet wheelchair requirements.There is provision for ten (10) parking stalls at the rear of the building.

PLAN WINNIPEG:

The proposal fully complies with Plan Winnipeg Policy which designates the area a Neighbourhood Policy Area which allows for commercial development.

ADMINISTRATIVE COMMENTS:

For over five years , a lawn treatment business operated out of the existing building by way of variance approval. That application expired and the new owners acquired a temporary variance in order to accommodate immediately the proposed office use. However a rezoning was initiated at the same time to permanently rezone the premises and that application is now before your Committee .The Planning and Land Use Division supports the proposed zoning change, recognizing that most of the neighbouring area is already or is about to be developed for much more intensive multiple family and commercial use. The proposed use will not generate much traffic and the should fit in well with neighbouring residential developments to the south and

north. It should be noted that more onerous commercial uses such as convenience stores, carwashes and fuel sales are not permitted uses under the proposed commercial zoning category.

RECOMMENDATION:

1. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 219/02, attached hereto and dated April 6, 2003, to a " C1" Commercial District.

2. That the Developer be required to enter into a Servicing Agreement with the City Containing all conditions outlined in the report of the Administrative Coordinating Group dated April 3/03.

3. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

4. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time.

5. That the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

6. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Re: Proposed rezoning of land located on the east side of St. Anne's Road, north of Meadowood Drive – DAZ 219/02

An application has been submitted by T.T.F. Income Consultants Ltd. to rezone land located on the east side of St. Anne's Road, north of Meadowood Drive.

It is recommended that approval of DAZ 219/02 be subject to the Developer entering into a Servicing Agreement containing the following:

1. The Developer shall pay its share of the cost of surface improvements installed by the City in St. Anne's Road abutting the proposed development on the basis of the rates prevailing at the time payment is made.

2. The Developer shall pay $545.00 plus 7% G.S.T. to defray the City's administration and related costs associated with the preparation and implementation of the Servicing Agreement
