IMPLICATIONS OF THE RECOMMENDATIONS

HISTORY

In December of 2012, the City Clerk's Department on behalf of the City of Winnipeg accepted as a "Gift in Kind" the Christiane Laengin Collection. This collection consists of sixty-seven (67) works of art representative of the Woodland Art Movement and considerably expands the City of Winnipeg's art collection. In particular, the collection reflects the world view and evolving philosophy of a significant constituency within the city's population, and on exhibit will invite viewers to consider Aboriginal expressions of community and environmental values. The collection was appraised at a fair market value of $31,540.00 (thirty-one thousand, five hundred and forty dollars) by Gail Nep, Fine Art Consultant and is being held in secure storage at the Winnipeg Convention Centre pending approval of an agreement for long term exhibition in their expanded space.

The proposed agreement will permit The Convention Centre Corporation to display the Christiane Laengin Collection at the Winnipeg Convention Centre as part of its expansion plan, and will include provisions for the proper acknowledgements, care, maintenance and insurance of the artwork. The proposed agreement will be for an initial term of fifteen years ending December 31, 2027 and will include two options to renew for additional ten year periods, by mutual agreement.
