APPENDIX 'A'

DATE: March 6, 2013
FILE: ZAA 11/12
RELATED FILES: DASZ 12/83
COMMUNITY: City Centre
NEIGHBOURHOOD #: 1.661

SUBJECT: The applicant is proposing to amend the Zoning Agreement on the property in order to allow for the maintenance of non-conforming, existing patio built within the rear yard setback requirements.

LOCATION: 500 Dovercourt Drive

LEGAL DESCRIPTION: Lot 5 Plan 21382 WLTO in OTM Lot 23 Parish of St. Vital

APPLICANT: Nishan Warraich (Punjabi Canadians Society of Winnipeg Inc.)

OWNER: Same

RECOMMENDATION: Amend Zoning Agreement

SITE DESCRIPTION
The subject property, which is zoned "M2" Manufacturing District, is located on the southwest corner of Dovercourt Drive and Scurfield Boulevard, in the West Fort Garry Industrial Park neighbourhood of the River Heights – Fort Garry ward.

North: Light industrial/office uses zoned "M1" Manufacturing District

South: Light industrial/office uses zoned "M2" Manufacturing District

East: Light industrial/office uses zoned "M2" Manufacturing District

West: Light industrial/office uses zoned "M2" Manufacturing District

DESCRIPTION OF THE PROPOSED DEVELOPMENT

The applicant is intending to expand their existing place of worship, by adding an addition to the southwest corner of the building. The addition would have an interior side yard setback of 6 feet.

Currently, there is a zoning agreement, which was caveated on the property in April 1984 which requires a 15 foot interior side yard setback.

The Winnipeg Zoning By-law, notwithstanding the zoning agreement, does not require any setback for interior side yards in the “M2” Manufacturing District.

ANALYSIS AND ISSUES

The intent of the zoning agreement was to ensure that the West Fort Garry Industrial Park was developed according to industrial park standards of the day, which include generous setbacks, open space, and landscaping.

The proposed amendment does not conflict with the overall intent, as the proposed addition is for a relatively small portion of the site, as the rear of the property. Furthermore, the proposed amendment has the support of the adjoining property owner to the west, who would be the most affected by the change.

For these reasons, it is recommended that the amendment be approved.

RECOMMENDATION

1) That the Zoning Agreement under File DASZ 12/83 dated November 30, 1983 be amended for the subject property (Lot 5 Plan 21382 WLTO in OTM Lot 23 Parish of St. Vital) to permit an interior side yard setback of 6 feet (1.83 metres) instead of 15 feet (4.57 metres).

2) That the Director of Legal Services and City Solicitor be requested to amend the subject Zoning Agreement to DASZ 12/83 as approved in aforesaid Recommendation 1.

3) That the Proper Officers of the City are hereby authorized to execute said Amending Agreement.

4) That the Director of Legal Services and City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
