RECOMMENDATIONS

1. That the Development Procedures By-law No. 160/2011 be amended as per attached Schedule 1.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

The adoption of the proposed amendment to the Development Procedures By-law is required to satisfy the May 30, 2012 Council decision to enable attached secondary suites as "B" Conditional Uses (Council Minute No.408).

IMPLICATIONS OF THE RECOMMENDATIONS

Should Standing Policy Committee adopt the proposed amendment, Section 5.B. of the Development Procedures By-Law will be amended to include attached secondary suites as a use that the Director of Planning, Property and Development can consider as a "B' Conditional Use.

DISCUSSION

The attached amendment to the Development Procedures By-law is being made concurrently and in tandem with changes to the City of Winnipeg Zoning By-Law 200/2006 with respect to Secondary Suites (See concurrent report titled: "Secondary Suites Amending By-law").

On January 25, 2012 Winnipeg City Council requested the Public Service to report back to the Standing Policy Committee on a number of topics regarding secondary suites including recommendations regarding changes to existing zoning regulations and public consultation to obtain citizen feedback on detached secondary suites.

The Public Service held four public open house sessions on February 22 and 23, 2012 to garner input from interested citizens on the proposed changes to regulations pertaining to secondary suites in Winnipeg.

A report entitled *"Attached and Detached Secondary Suites"* was heard by the Standing Policy Committee on Property and Development at their May 8, 2012 meeting. The report included recommended changes to Zoning By-law 200/2006 with respect to attached and detached secondary suites. The Standing Policy Committee concurred in the recommendations of the Public Service and added one amendment, which was to change the process for Conditional Use approval for attached secondary suites. This report responds to that amendment.

The attached By-law (Schedule 1) has been prepared at the instruction of Council and is to affect the changes to the Development Procedures By-law 190/2011 as endorsed by Council at their May 30, 2012 meeting.
