and submitted the matter to the Executive Policy Committee and Council.

On June 12, 2012, the City Centre Community Committee passed the following motion:

WHEREAS the crossing at Elm Street and Corydon Avenue is the main crosswalk for students and the residence crossing to the River Heights School and River Heights Community Centre;

AND WHEREAS this area has a history of safety issue as expressed through the school and community centre;

AND WHEREAS three students have been struck by cars on Corydon Avenue in the proximity of Elm Street in the last 18 months and incidents have occurred each year for many a year;

AND WHEREAS the June 28, 2011, decision that the signed and marked pedestrian crosswalk across Corydon Avenue be re-located from Oak Street to the west side of Elm Street, prior to the starting of school in September 2011, has not resolved the safety issue;

AND WHEREAS traffic has increased on Corydon Avenue both in volume and speed;

AND WHEREAS the situation of having a community centre and a school side by side is unique;

RE: Corydon Avenue and Elm Street (Pedestrian Corridor)

As per your request, the updated cost estimate to install a new pedestrian corridor on Corydon Avenue and Elm Street is $64,900.00.

This estimate is base on installing the pedestrian corridor on the west side of Elm Street.

This estimate includes all applicable taxes and overheads.

This is only an estimate for infrastructure required by Traffic Signals Branch based on the information provided to us at this time. This estimate is subject to changes on actual work required.

Any further questions can be forwarded to my attention at
