RECOMMENDATIONS

1. That in compliance with the mandatory provisions of *The Public Schools Act,* Council adopt the necessary by-laws required to fix and impose taxes sufficient to meet that portion of the cost of education required to be raised through levies on assessable property within the City of Winnipeg in 2013.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing, including the submission of the necessary by-laws.

REASON FOR THE REPORT

Section 184 of *The Public Schools Act* requires Council of the City of Winnipeg to fix and impose an Education Support Levy. Section 188 similarly requires the fixing and imposition of a Special Levy.

IMPLICATIONS OF THE RECOMMENDATIONS

Property owners in the City of Winnipeg are affected by increases or decreases in education related mill rates.

HISTORY / DISCUSSION

The **Education Support Levy** represents an amount the Province of Manitoba collects for educational purposes province-wide. Each municipality in the province is required to bill, collect and remit its respective share of this total amount.

The **Special Levy** represents the various school divisions' additional requirements or portions of their costs that do not qualify for provincial assistance under the province-wide Education Support Levy. In accordance with legislation, Council is required to annually collect and remit the City's share of these two levies to the Province and the school divisions respectively.

Provincial Education Support Levy

The Provincial Education Support Levy represents an amount the Province of Manitoba collects for educational purposes province-wide. Each municipality in the province is required to bill, collect and remit its respective share of this total amount.

The Provincial levy on Residential property was eliminated in 2006.

The Provincial levy on non-residential ("Other") property is $92,318,363 representing an increase of $3,437,201 or 3.9 from 2012.

The 2013 requirement corresponds to a mill rate of 11.747 for "Other" property which is 2.4% higher than the 2012 mill rate (see Schedule "A").

Special Levy

The Special Levy represents the various school divisions' additional requirements or portions of their costs that do not qualify for provincial assistance under the province-wide Education Support Levy.

The City's eight school divisions' 2013 Special Levy requirements total **$457,720,670** an increase of **$25,279,601** or **5.8%** over their 2012 requirement. This change in Special Levy requirements ranges from a 2.8% increase in the Interlake School Division to a 7.5% increase in the Winnipeg School Division (see Schedule "A").

The change in the school divisions' Special Levy requirements, coupled with the change in their respective portioned assessment subject to this levy, has resulted in mill rate changes ranging from a 1.6% increase in the Pembina Trails School Division to a 6.7% increase in the Winnipeg School Division (see Schedule "A").

Impact of Combined Mill Rate for Education Purposes

For 2013, the combined levies for education purposes in Winnipeg will total **$550,039,033**, which is **$28,716,802 or 5.5%** higher than in 2012 (see Schedule "A").

Based on the 2013 Preliminary Operating Budget, education taxes now represent 53.25% of all property taxes collected in Winnipeg, compared to 53.5% in 2012 and 54.3% in 2011.

Additional Comments:

There is no financial impact as the establishing of education-related mill rates is revenue-neutral to the City of Winnipeg budget.
