REASON FOR THE REPORT

On April 12, 2013, the City of Winnipeg Records Committee approved its 2012 Annual Report for submission to the Executive Policy Committee for information.

HISTORY

Since the mid-1970's, the Branch has consistently developed the City's corporate records management program, policy framework and physical capacity to manage civic records to industry standards. In addition to managing ongoing facility renewal projects at 380 William Avenue to meet the specialized needs of the archival program, the Branch consulted with Corporate IT on Open Data and Cloud Computing initiatives regarding their potential impact on data and information management in the City of Winnipeg.
