## STANDING POLICY COMMITTEE ON FINANCE

## QUESTION PERIOD

**Minute No. 339**
Councillor Gerbasi requested an update on the status of a new budget process that was to start early in the year and inquired if a consultant has been hired.

Councillor Wyatt confirmed that an RFP was issued and closed the middle of April. A number of submissions were received and staff reviewed the various submissions at a recent meeting. A selection should be made, and an announcement, in terms of what the consultations would look like, who was selected and how it would involve Council should happen shortly.
