RECOMMENDATIONS

1. That the proposed Encroachment Agreement in favour of The Convention Centre Corporation for the development and maintenance of a building encroachment over the Carlton Street, York Avenue and Edmonton Street Avenue Street airspaces as shown on attached Misc. Plan No 14407/1, be approved in accordance with the negotiated proposed terms and conditions.

2. That the proposed Encroachment Agreement in favour of The Convention Centre Corporation for the development, maintenance and operation of a Weather Protected Walkway System (WPWS) Skywalk over the York Avenue street right of way airspace, as shown on attached Misc. Plan No. 14407/2 be approved in accordance with the negotiated proposed terms and conditions.

3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing

REASON FOR THE REPORT

In general, the City cannot grant the lease of land comprising of a public right-of-way unless first legally closing the public right-of-way. The City has, however, the power to lease or permit the use of a public right-of-way subject to the continuing pleasure of Council.

This report seeks Council's approval of the terms and conditions of the Encroachment Agreements.

IMPLICATIONS OF THE RECOMMENDATIONS

There is no general policy, regulatory, environmental or human resource implications associated with the proposed recommendations herein.

HISTORY

An application was submitted to the City's Zoning and Permits Branch by Stuart Olson Dominion on behalf of The Convention Centre Corporation (CCC), for the development and maintenance of; building and related structural support encroachments over the Carlton Street, York Avenue and Edmonton Street Avenue Street airspaces; a truck loading ramp within the Carton Street right of way airspace; and a Weather Protected Walkway System (WPWS) Skywalk over the York Avenue street right of way airspace all shown on attached Misc. Plan No 14407/1 and Misc. Plan No. 14407/2.

The proposed encroachments are all related to the CCC's redevelopment and expansion plan.

Upon completion the skywalk will become part of the City's Weather Protected Walkway System (WPWS).

The application was circulated to applicable City departments and public utilities for consideration and comments. No objections were received.

The Planning, Property and Development Department has negotiated proposed terms and conditions of the Encroachment Agreements in favour of the CCC for the development and maintenance of the encroachments referenced within.

All comments and requirements received by way of the aforementioned circulation have been incorporated into the terms and conditions of the respective encroachment agreements

The Corporate Finance Department, Risk Management Branch, reviewed the insurance requirements for this proposed encroachment and their comments have been incorporated into the terms and conditions.

The negotiations with the CCC have concluded. On May 28, 2013, the CCC provided the Real Estate Division with a signed copy of the proposed Terms and Conditions of the Encroachment Agreements attached as Schedules A and B respectively.

This report seeks approval of the Encroachment Agreements as negotiated.

All property policies written on behalf of the Licensee shall contain a waiver of any subrogation right which the Licensees insurers may have against the City and against those for whom the City is, in law, responsible, whether

any such damage is caused by the act, omission or fault of the City or by those for whom the City, is, in law, responsible;

During the construction of the Building the Licensee shall purchase and keep in force during the construction process the following insurance coverage(s):

Wrap up liability insurance in the amount of at least twenty-five million dollars ($25,000,000.00) per occurrence, such liability policy to name the Licensee, Licensor, all contractors, sub-contractors, architects and engineers as insured's and contain evidence of a cross liability clause, products and completed operations, bodily injury, property damage, and contractual liability and including 24 months completed operations after completion.

All risks course of construction insurance in the amount of one hundred percent (100%) of the total Contract Price.

Workers Compensation or employment insurance coverage must be in place in accordance with provincial legislation.

All policies to be taken out with insurers licensed to and carrying on business in the Province of Manitoba;

Deductibles shall be borne by the Licensee;

The Licensee shall not cancel, materially change or cause any such policies to lapse without a minimum of thirty (30) days prior written notice to the City of Winnipeg;

The Licensee shall file with the City a certificate of insurance in a form satisfactory for the City Solicitor;

The City shall have the right to alter the limits and/or coverage's as reasonably required from time to time reflective of the legal environment and insurance industry standards during the continuance of this encroachment agreement and any subsequent renewals thereof, provided that the City shall give the Licensee reasonable notice and shall request reasonable change;

Cancellation: Ninety (90) days written notice by either party;

Conditions: The Licensee understands and agrees that the 'Encroachment Area' is licensed on an "as is" basis.

The development, maintenance, repair, renovations and of the Encroachment Area will be performed at the sole cost, expense and effort of the Licensee, including, obtaining all

permits required to develop, occupy and utilize the Encroachment Area for its intended use.

The Licensee shall conduct a full structural inspection of the building in the Encroachment Area once every 10 years during the continuance of the Agreement. The Licensee shall provide the City with a copy of the full structural inspection report on or before the 10th anniversary of the date the agreement commences and provide to the City a new structural inspection report on each 10 year anniversary of the commencement date thereafter

The City shall have the right to access the Encroachment Area at any time (twenty four hours a day, seven days a week) by its employees or other persons acting with its authorization, with or without equipment to maintain, operate, repair, inspect or rehabilitate existing water mains, sewer lines and appurtenances located within the encroachment area.

The Licensee shall not erect or permit the erection of any building foundations or other structures, nor make any excavation or place fill within the Encroachment Area at grade or street level without the prior written approval of the Director of Planning, Property and Development.

The Licensee shall be responsible for all costs, utilities, and operating expenses in connection with the use and occupation of the Encroachment Area including, but not limited to; realty taxes, license fees and business taxes.

That all utilities be permitted to enter the grade or street level area below the Encroachment Area for maintenance, repair or installation of services at anytime without notice to the Licensee and that any removal or relocation of existing facilities as a result of the proposed Encroachment will be at the expense of the Licensee. Prior to any digging or excavation, Manitoba Hydro and/or Centra Gas Manitoba Inc. advise the Licensee contact the Call-Before-You Dig line at 204 480-1212;

That if any removal, relocation or adjustment of existing MTS, Manitoba Hydro and/or Centra Gas facilities is required, it will be at the expense of Licensee; that extreme caution be used when excavating in the vicinity of utilities buried plant; The Licensee acknowledges that there are Manitoba Hydro facilities in the areas noted on the attached Schedule 1. Manitoba Hydro and Centra Gas cannot be held accountable for any disruption to the proposed encroachments should they need to access their facilities for any reason in the future;

The Public Works Department advises that parts of the proposed Encroachment Area on York Avenue and Edmonton Street conflict with the existing street lighting. Prior to any existing street lights being removed, the Licensee shall work with the City and Manitoba Hydro to develop and implement a temporary lighting plan during construction and to develop and implement a permanent lighting plan post-construction, both to the satisfaction of the City of Winnipeg; all work to be conducted at the Licensee's sole cost and expense.

The Water and Waste Department advises that there is a curb inlet, a hydrant and valve assembly on the east side of Edmonton Street which may or may not be located near or at a proposed truck ramp. The curb inlet is located at the curb, the hydrant is located right up against the property line and the hydrant valve is located in the sidewalk. The curb inlet, hydrant and valve may each need to be relocated, and if so, the Licensee shall do so at its sole cost and expense, to the satisfaction of the City.. There is a City owned sewer main leading up to the private manhole near the centre of the proposed new building lot (south of York Avenue). Prior to commencing construction, the Licensee shall at its sole cost and expense cut off the sewer main, network of catch basins and leads, to the satisfaction fo the City.

The Licensee agrees to comply with the Section 3.2.2 of the Manitoba Building Code for the Winnipeg Convention Centre expansion. The Licensee agrees that it will not create "no build zones" or spatial separation agreement requirements over any adjacent or neighboring properties (whether those properties are across a street or otherwise) in completing the design of the Winnipeg Convention Centre expansion.

The Licensee shall construct and maintain the Building over York Ave with a minimum clearance between the Building and any appurtenances thereto with a minimum clearance of 6.7m from the street level.

The Licensee shall not assign this agreement without the prior consent of the Licensor.

The Licensee shall indemnify and save the City harmless from and against any and all claims for damages or injuries, including death that may arise from the use of the Encroachment Area by the Licensee.

Any other terms and conditions as are deemed necessary by the Director of the Planning, Property and Development Department, the Director of Public Works Department and by the City Solicitor/Director of Legal Services to protect the City's interests.

That the approval of this application by Council or its delegated authority is only valid for a period of six (6) months from the date of said approval unless the Licensee executes an Encroachment Agreement with the City of Winnipeg within the stated time frame, or alternatively obtain an extension of time from the Designated Officer – Encroachments;

The proposed terms and conditions of the proposed Encroachment Agreement are subject to the final approval of the City's Standing Committees and Council and to the City Solicitor as to form and content.

THE CONVENTION CENTRE CORPORATION HEREBY ACKNOWLEDGES AND AGREES WITH THE ABOVE TERMS AND CONDITIONS.
