From the City Solicitor/Manager of Legal Services,

Advising that on December 11, 2002, Council adopted Item 6 of the Report of the Executive Policy Committee dated December 4, 2002 and enacted the Charter Implementation By-law No. 8162/2002. Pursuant to that report and by-law, a draft Charter Implementation By-law, 2003, is being submitted for all three readings.

Further advising that as with the Charter Implementation By-law No. 8162/2002, this proposed by-law amends various City by-laws to accommodate The City of Winnipeg Charter. It consists largely of items that were overlooked in December, or corrections of inadvertent drafting errors that were made in the Charter Implementation By-law No. 8162/2002. These are non-substantive amendments that do not require review by Standing Policy Committees or Executive Policy Committee. File GL-5.1 (By-law No. 116/2003)
