RECOMMENDATIONS

That Council pass a resolution recommending the cancellation of Building Restriction Caveat No. 1663826 against the property commonly known as number 4 Vanderbilt Drive in order that the owner of the property may proceed with an Application before the Municipal Board of Manitoba to cancel the caveat.

REASON FOR THE REPORT

Subsection 104(3) of The Municipal Board Act provides that where lands affected by a Building Restriction Caveat ("BRC") are located in the City of Winnipeg, no order of the Municipal Board shall be made to cancel the BRC unless the Council of the City of Winnipeg has, by resolution, recommended the cancellation and a certified copy of the resolution is filed with the Board.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no policy, regulatory, environmental, human resource, financial or general implications associated with the recommendations.

HISTORY

The BRC was based on an agreement between the developer, Whyte Ridge Residential Developments Ltd., and Richard Bunn and Claudia Bunn to impose certain conditions regarding fencing and landscaping that relate solely to this property. The City had no involvement or interest in the registration of the caveat and the caveat does not affect any City services or development agreement requirements. There are no zoning related issues with discharging the caveat.

The Planning, Property and Development Department advises that the property is zoned “R1-M” which is consistent with the immediate surrounding area. If the caveat is removed, the owner would still be bound by the existing zoning bylaws under the “R1-M” designations.

The solicitor for the current property owner will be making application to the Municipal Board in accordance with The Municipal Board Act to cancel the building restriction caveat. In accordance with The Municipal Board Act, a resolution of Council recommending the removal of the caveat must be provided in support of the application.

The Municipal Board will schedule a hearing upon receipt of a certified copy of a resolution of Council of The City of Winnipeg recommending the cancellation requested.
