HISTORY

The Planning, Property and Development Department has received an application from Mr. Andrew Marquess of Gem Equities Inc. to open Rathgar Avenue and Walker and Berwick Courts so identified on the attached copies of Misc. Plan Nos. 14528, 14529 and 14530.

The subject openings form part of the requirements for the conveyance of land for public rights of way as part of the Fort Rouge Yards Development and are a condition of approval contained in the Development Agreement of the Administrative Coordinating Group Report dated November 15, 2010 for subdivision rezoning application DASZ 33/2010 which was approved by Council on December 15, 2010.

The openings are to facilitate the required street right of way alignment entering the Planned Area for the extension of Rathgar Avenue to a width of 20 metres and the required right of way alignment for the Walker and Berwick Court cul-de-sacs. The proposed openings are contiguous to the boundary of application DASZ 33/2010 as shown on the sketches.

Property required for the openings consists of portions of Parcel “A”, Plan 14682 WLTO and Parcels “A” and “A1”, Plan 41210 WLTO registered in the name of the City of Winnipeg. The applicant will be required to acquire this land from the City. The Real Estate Division has provided Mr. Marquess with authorization to include the subject property in the street opening application.

This report is submitted in accordance with the provisions of By-Law 7325/98, a by-law to amend procedures to allow certain street opening and closing applications to be submitted to the Executive Policy Committee for report to Council without the requirement to be reviewed by a Standing Policy Committee.
