RECOMMENDATIONS

1. That Council approves an amendment to the City of Winnipeg Traffic By-Law # 1573/77 to alter the definition of “parade” to include the term “bicyclists”.

2. That the proper Officers of the City of Winnipeg be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Approval is required to amend the City of Winnipeg Traffic By-Law # 1573/77.

IMPLICATIONS OF THE RECOMMENDATIONS

The current City of Winnipeg Traffic By-Law # 1573/77, section 2(2), does not include the term “bicyclist” in the definition of what constitutes a “parade”, restricting the ability for the Winnipeg Police Service to issue a parade permit to any group that is made up solely of bicyclists.

Amending the definition of “parade” in the Traffic By-Law would allow the Chief of Police to issue parade permits to bicycle groups wishing to hold a parade. The event organizer(s) and participants would then be eligible for coverage under the City of Winnipeg General Liability Insurance Policy and allow for a pre-arranged escort by the Winnipeg Police Service.

HISTORY

The City of Winnipeg Traffic By-Law # 1573/77, section 9(b) authorizes the Winnipeg Police Service (WPS) Chief of Police to issue parade permits to applicants wishing to hold parades on City of Winnipeg streets, however, the Traffic By-Law does not include bicycles as a type of "vehicle" authorized to receive a parade permit.

In the Traffic By-Law, section 2(2), the definition of "parade" refers to "pedestrians" and "vehicles". Since neither of those terms is defined within the By-Law, a definition must be obtained from other legislation controlling use of streets, in this case, the Provincial Highway Traffic Act (HTA). The HTA definition of "vehicle" specifically excludes bicycles, therefore, the Chief of Police cannot issue parade permits to bicycle groups under the current Traffic By-Law.

A number of bicycle groups apply for parade permits each year with the intent of operating in a parade fashion with a police escort, contrary to the HTA rules regarding bicycle operation (i.e. riding side-by-side, occupying an entire roadway/s, disregarding traffic control devices, obstructing traffic).

Since the summer of 2012, these groups were advised they could not be issued a parade permit and were told if they wanted to hold their event, all participants would need to abide by the HTA. Given these circumstances, police escorts for these groups were no longer beneficial because simply having police presence does not authorize any contravention of the HTA.
