Council – Communications (continued):

1. Council, at its meeting of November 14, 2012, approved the plan of subdivision in accordance with "Schedule "E" for DASZ 8/2012 dated September 10, 2012…" which Schedule was part of the report of the Standing Policy Committee on Property and Development dated November 6, 2012.

2. Unfortunately, because of an oversight that was not caught until recently (after By-law No. 72/2013 was passed by Council), the wrong map was used for By-law No. 72/2013.

3. The by-law submitted for Council's meeting on September 25, 2013, will correct that oversight by substituting the incorrect map, which rezoned Cherrywood Road to PR1, for the one approved by Council as Schedule "E" and indicates that the area in question is, in fact, a street right-of way.

   Submitting draft by-law, a by-law of The City of Winnipeg, to correct errors in By-law No. 72/2013, which by-law may receive all three readings.
