REASON FOR THE REPORT

- Council approval is required to declare a portion of the subject City-owned property surplus to the needs of the City.
- The Planning, Property and Development Department intends to sell the portion of the subject City-owned property to the adjoining owner at 5 Scurfield Boulevard for consolidation with their property.

- The City's standard terms and conditions of sale will include provisions to protect the City's interests in the event that environmental contamination is discovered.
- There are no direct financial implications associated with this recommendation.

HISTORY

- The City was contacted by the adjoining owner of 5 Scurfield Boulevard, 2253062 Manitoba Ltd., in January of 2012. The adjoining owner inquired as to the possibility of purchasing a portion of the City-owned property at 1567 Waverley Street, for consolidation with their property.

- 2253062 Manitoba Ltd. has two shareholders: Antonio Spezzano and Scurfield Developments Inc. Scurfield Developments Inc. sole shareholder is Antonio Spezzano.

- The Fire Paramedic Service Department was contacted regarding the potential sale of a portion of 1567 Waverley Street which falls under their jurisdiction. The Fire Paramedic Service indicated they would be supportive of the portion of 1567 Waverley Street identified as "SUBJECT CITY PROPERTY PARCEL B" on Misc. Plan No. 14222/2, being sold to the adjoining owner of 5 Scurfield Boulevard for consolidation with their property.

- It was determined that the portion of the subject City property would not be considered a buildable lot on its own as it is not fronting onto an improved street and is affected by two Manitoba Hydro easements registered against title as instrument numbers 2785477/1 and 80-3003/1. This property is not considered buildable and could therefore not be sold on the open market, however can be sold to the adjoining owner at 5 Scurfield Boulevard for consolidation with their property.

- The subject City property has been circulated with all City departments, with no Civic use for the land being identified. The Department intends to sell that portion of the subject City property identified as "SUBJECT CITY PROPERTY PARCEL B" on Misc. Plan No. 14222/2 to the adjoining owner at 5 Scurfield Boulevard for consolidation with their property.

- The Ward Councillor was consulted and concurs with the intentions of the Department.
