RECOMMENDATIONS

1. That the proposed street closing as shown on Misc. Plan No. 12663/8 be approved and that the land be declared surplus to the City's needs.

2. That the Director of Legal Services and City Solicitor be instructed to prepare the necessary by-law for submission to Council to effect the street closing in accordance with Misc. Plan No. 12663/8, subject to the approval of the terms and conditions of the conveyance of the land by the Director of the Planning, Property and Development Department.

3. That the Proper Officers of the City be authorized to do all things necessary to effect the intent of the foregoing.

REASON FOR THE REPORT

All street and lane closings require the consideration of the Community Committee.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no policy, regulatory, environmental, human resource or general implications associated with the recommendations.

All costs associated with the street closing are the responsibility of the applicant. There are no financial implications for the City of Winnipeg.

HISTORY

The Planning, Property and Development Department has received a request from Mr. Jan Drewniak, the property owner of No. 15 Attache Place, to close and purchase the portion of Miravista Drive so identified on the attached copy of Misc. Plan No. 12663/8. It is the intention of the owner to improve the aesthetic appearance of the area and acquire the subject closing as an addition to his existing holding.

Miravista Drive was opened by Plan No. 49538 which was registered in the Winnipeg Land Titles Office in January of 2010. The opening formed part of the subdivision and rezoning of land at the southwest corner of Templeton Avenue and McGregor Street processed via application DASZ 9/2008 and passed by Council on July 16, 2008. The property comprising this subdivision was originally intended to serve as the right of way for the McGregor Street extension. It was declared surplus to the City's needs in October of 1993.

Miravista Drive serves as a frontage road adjacent to the McGregor Street right of way. The portion of the street northeast of the subject closing is barricaded at the terminus of the existing concrete turnaround at the rear of No. 19 Attache Place. The closing area consists of several mature trees with deadfall and overgrown bush. It serves no public transportation purpose.

APPENDIX "A"

Administrative Approval

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the street closing.

Administrative Comments

The Urban Forestry Branch has provided the following comment:

> The wooded area in question was inventoried on August 22. Only trees greater than 5cm DBH (diameter breast height) in good to fair condition were counted. The value was established using the City of Winnipeg Tree Removal Guidelines method for trees growing in natural stands. The Value came to $54,000.00. Should the land in question be sold, the Urban Forestry Branch would expect compensation for these trees.

SPECIES	# OF TREES	VALUE
POPLAR	2	$2,400
MMAP	15	$10,200
AELM	2	$1,200
GASH	3	$1,800
WILLOW	13	$16,200
SELM	19	$22,200
TOTALS	54	$54,000

Easements

There are no services within the closing area. No easements will be required.

Transfer of Jurisdiction Over Public Rights-of-Way

The street must be legally closed before it may be sold. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.
